

Please remember this story

Please don't be fools

Remember your Mistress

can use OTHER tools!

She doesn't  
have to do  
THIS

**"To Make You Obey"**

DO I,  
my slave?

NO  
MISTRESS  
MAY!

NOPE !

**The End**

And we  
hope the  
moral  
of this  
story is  
as clear  
as can  
be,

learn to  
OBEY your  
Mistress

IMMEDIATELY!

or else  
she'll  
FORGET

what she  
did with  
the key!

And you won't  
come one DROP  
till she  
REMEMBERS,

Ooooooh NO!  
No siree!"
