

She KNOWS you'll serve her
really great

the longer that she makes you
wait

and wait and wait

and wait and wait

I remember
that day

SO
God DAMNED
vividly

when my
Mistress
said THESE

"words of
wisdom"

"To ME!"

"Mistress?"

YES,
slave?

"Please uncage me
and allow me to jerk
myself off and come
for you tonight?"

"PLEASE
Mistress?"

"It's been six months
since you last let
me COME for you,
Mistress!"

Honey,
I've known
since I was
a young woman

that if I allow
a male to HAVE
an orgasm

he'll stop thinking
about it as soon as
he's finished
squirting his come!

A close-up, profile shot of a woman with long, dark red hair. She is looking upwards and to the right, with her mouth slightly open. Her right hand is raised, with fingers spread, near her chin and neck. She is wearing a grey, textured knit turtleneck sweater and a large, red, circular hoop earring. The background is dark and out of focus, with some green foliage visible on the left. The lighting is soft, highlighting her features.

But if I
DENY him
that orgasm,

he'll NEVER stop
thinking about it!

Now go get
my bath
ready,

Her hands are clasped together near her chin, with fingers spread. The background is dark and out of focus, with some greenery visible on the left.

this
DISCUSSION
is OVER!

"Yes
Mistress!"

The End

And it's
hard to
believe

despite
BEGGING
and TEARS

she still
won't let
me come

after thirty
LONG years!
