

This is a story I'm sure you'll agree

at it's end made both Mistress and
slave VERY happy

because although she did not allow ALL
his cumming to be done

he learned a long time ago a ruined
orgasm is DEFINITELY alot better than
NONE!

Once upon a time I
felt sorry for my
three month denied
pup

so I sat myself down
and I told HIM

"To Stand Up!"

0000000000

You will
cum
for
me

18X1000000

NOW!

YES
MISTRESS!

Now CLEAN it up!

YES
MISTRESS!

The End

And it was a very
HAPPY one cause when
he finished using
his tongue to lick
up his mess,
he used it to
THANK me
while I moaned

oh my God
YES!
