

Why ARE we so willingly

submissive and meek

and what IS it from a Woman

we so desperately seek

"Mistress?"

"When I've  
finished all  
of my housework

and I'm all  
finished serving  
you for the day,

may I make myself  
come for you before  
you go to sleep

**"Tonight?"**

Honey ,

you KNOW that  
you were born  
to be

on your knees  
like THIS for  
me,

serving MY  
needs night  
and day

my SLAVE who'll  
happily obey!

And for THAT  
I love you so

and I know you  
WANT me to say  
no

you may NOT  
come tonight  
although

it's BEEN  
about four  
days or so!

And your love  
for me will  
grow and grow

the MORE I  
control you  
and tell  
you no,

Won't  
it?

**The End**

of this  
story

is REPEATED  
I'm sure

every night  
of the week

on YOUR  
Mistresses  
floor!

Isn't  
it?
