

It always feels so special
and so fucking good

when she makes you EARN the
privilege of cumming

the way SHE feels you should

She told me VERY
sternly in a
voice icy cold

"You better not cum
ONE fucking DROP
slave until
you've been
TOLD!

"But I won't be CRUEL
slave, I'll ALLOW
you your needs
as soon as
you've made ME

"Totally Pleased!"

A woman with long blonde hair is wearing a black bikini with white polka dots. She is leaning forward, looking down. A man's hand is on her hip, and another hand is on her waist. The background shows a bookshelf and a window with blinds.

So
PLEASE
me slave
if you
want to
CUM this
week!

YES
MISTRESS!

Cum

**YES
MISTRESS!**

OH GOD
THANK YOU
MISTRESS!

THANK YOU!

The End

You're
welcome
