

Once upon a time

in a Female dominated land

his Mistress
DECIDED

she WANTED him

"Unmanned!"

Date of last
ejaculation?

Five years
three months
and twenty
three days,
Mistress!

Are you
aware this
procedure
cannot be
reversed?

Yes
Mistress!

And are you
having this
procedure
performed
WILLINGLY?

Yes
Mistress!

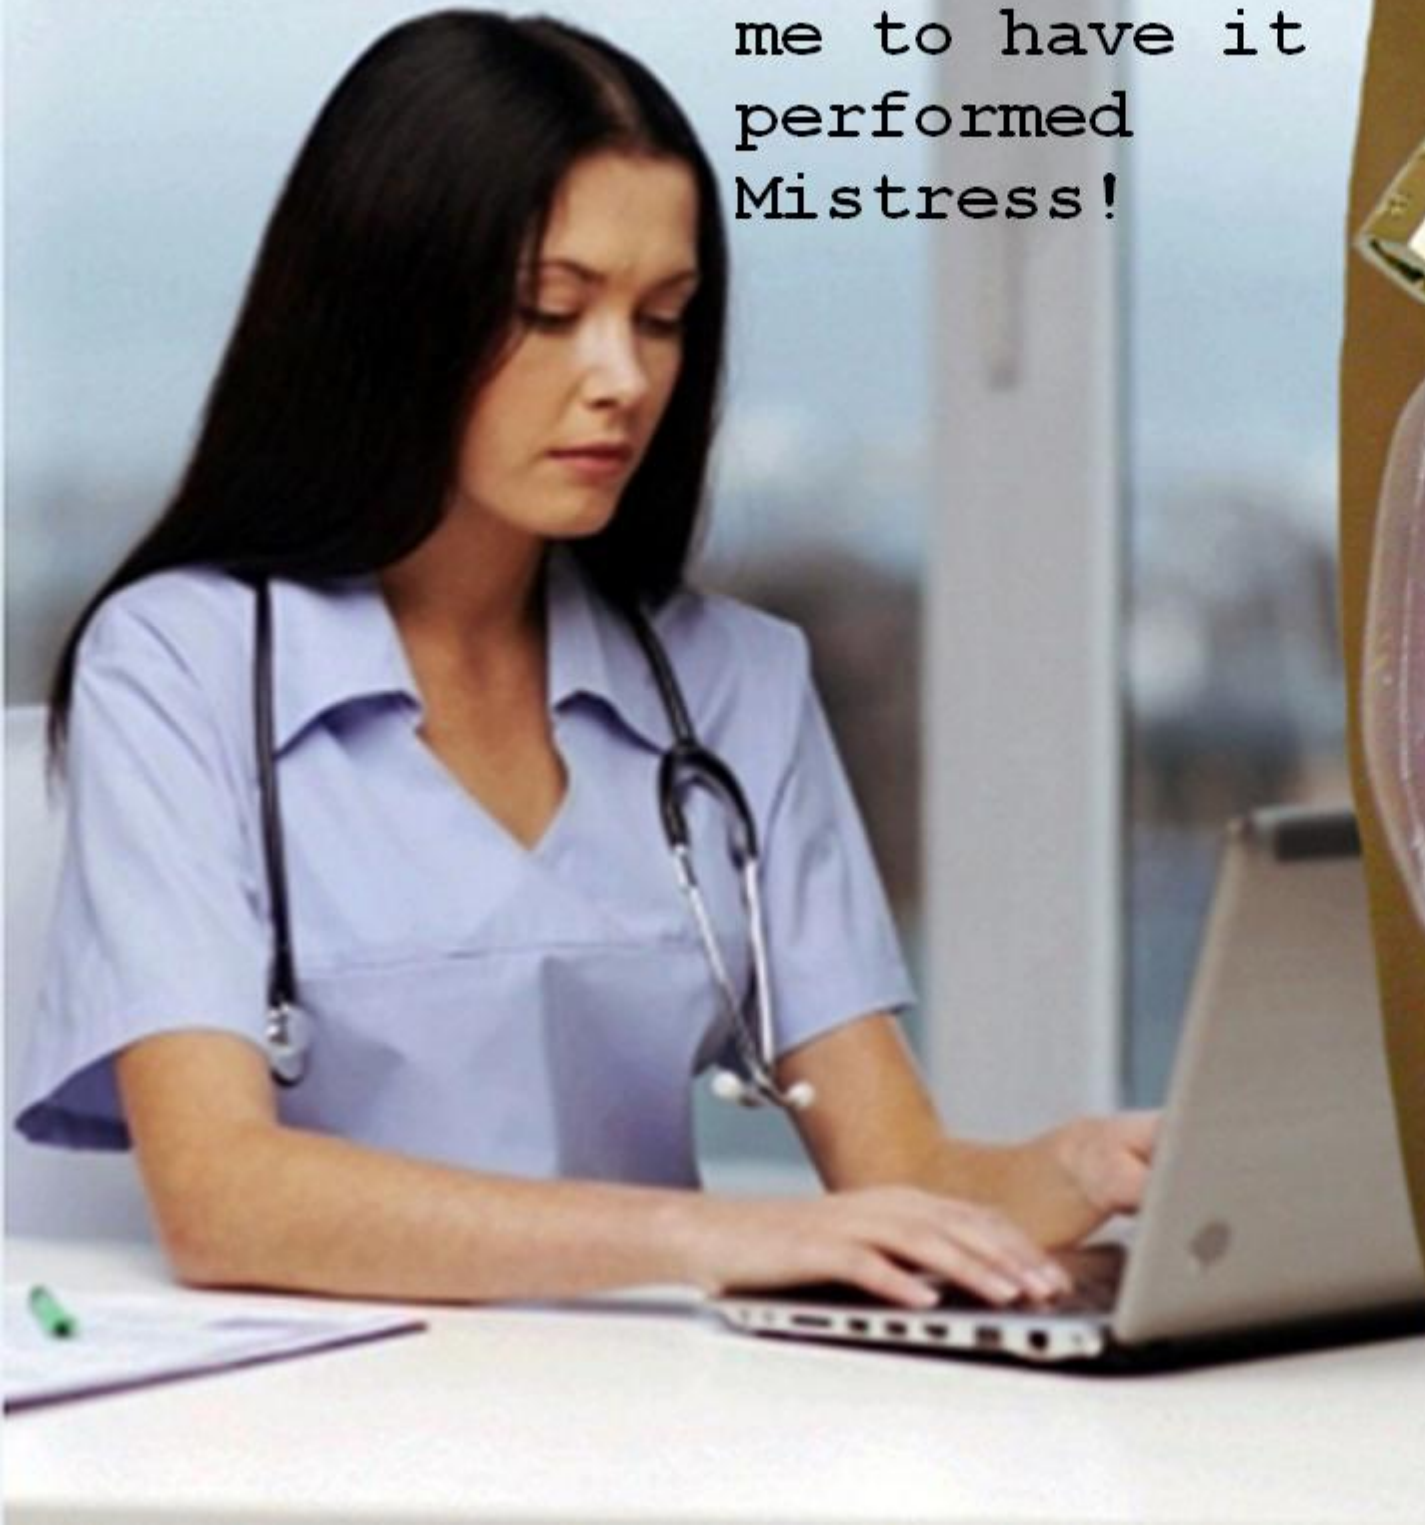

And WHY do
you want this
procedure to
BE performed?

Because my
Mistress WANTS
me to have it
performed
Mistress!

OK!

We're all
finished
with the
paperwork,

the doctor
will see
you now!

Thank you
Mistress!

You're
welcome!

**Hi,
I'm
doctor
Lewis!**

I'll be
doing
your
procedure
today!

**Come
with
me!**

YES
-
MISTRESS!

And
bring
the jar
your
Mistress
gave you
to bring
them
BACK to
her in!

The End

And DEEP down
in your SOUL ,

though you'll never
admit that it's TRUE,

you've always
fantasized
about Women

wanting to DO
this to you,

since you were a
VERY young man,

oooooh yes,

HAVEN'T you?
