

She said "Don't Come!", that's what she meant

or YOU will get a punishment

because you have to learn it's true

to come ONLY when she WANTS you to.

And she WILL teach you, yes she will

in ways that ARE unusual!

And where did Mistress LEARN
that from?

Well, MY best guess is Dear old
MOM!

slave?

"Yes,
Mistress?"

Is what the
Mistress in
the story did

REALLY
such an

"Unusual Punishment"

I firmly believe
that a TRULY
obedient male

is a male who has
learned to NEVER
ejaculate

unless his
Mistress has given
him her PERMISSION
to ejaculate!

So as soon as
he became my
slave

I began what
I called his
"COME Training"

by
doing
THIS

until he did

THIS

**WITHOUT my
PERMISSION!**

Then I'd whip
his ass RAW
with my strap!

But every time
I did THIS

he STILL
kept doing

THIS

**WITHOUT my
PERMISSION!**

And you
know WHAT?

I said "The HELL
with this shit!"
and we went to
visit my Mom

who took him
down to her
"Play room"

Come
along,
slave!

"PLEASE
MISTRESS,
NOOOOOOOO
OOOOOOOOO!"

where
HE spent
the night
like THIS,

" PLEASE
HAVE MERCY
MISTRESS ! "

"PLEASE?"

while I
got a good
night's sleep!

NOW,
when I
do THIS

he DOESN'T do

THIS

**WITHOUT my
PERMISSION!**

**Thanks
Mom!**

The End

WELL
slave,

IS it?

"NO,
Mistress!"

DING DONG!

COME ON
IN MOM,

WE'RE IN
THE GUEST
ROOM!
