

You'll have a great sex life
your slave he will be
but Girls let me tell you,
you should have a plan B!

As long as
HE'S horny

and ready to
SCREW

he won't have
NO trouble

just
pleasuring
YOU!

And he'll do
it for HOURS

while he BEGS
"LET ME COME?"

and you'll
sternly tell
him NO

until YOUR
pleasure's
DONE!

But after
you're KIND

and put him
on his knees

to jerk off
for you

and you grant
him RELEASE,

he'll THANK
you profusely

and we ALL
know it's TRUE

that he'll
have NO more
interest

in pleasuring
YOU!

But his flacid
member Girls,

DOESN'T
excuse it,

he has some
thing ELSE
Girls,

you should
TEACH him to

"USE It!"

My Dear
Momma
taught
me

when
I was
young

THIS is the
reason why
you DON'T
let him
COME !

Because his
dick will
get SOFT

and all
he'll
WANT
to do

is kiss both your feet,
while he whimpers "Thank You"!

But my Momma
ALSO told me

when
I was
young

there's
a REASON
that a man

was born
with a
TONGUE!

The End

Yes, he'll use
it to BEG you

"Mistress PLEASE
let me come"

or respond with
"YES MISTRESS!"

when YOU want
things done,

so you SHOULD
make him USE it

as a BLISSFUL
recourse

to please you
for HOURS

when his dick
is too SOFT!

SHOULDN ' T
you?
