

The day he TRULY became HERS  
for the rest of her life  
began with this conversation  
with his dominant wife

slave,  
you will  
kneel RIGHT  
there,

and  
you will  
LISTEN!

You're going to  
learn to OBEY me

in the  
ULTIMATE  
way!

And if you don't  
know what THAT  
means.

then suffice  
it to say,

you'll KNOW what  
THAT is by the  
end of the day,

when you're  
BEGGING

and PLEADING,

because I've  
made it my  
mission,

to train you  
NEVER to COME,

without MY  
permission!

Oh Yes, you'll  
HAVE "Accidents"  
on occasion  
it's true,

and you'll  
BE severely  
punished  
for HAVING  
them too!

But if I'm  
given the  
impression

that you don't  
WANT to learn,

well, THIS is  
what happened  
to my SISTERS  
slave,

**"Vern!"**

Hi!  
My name  
is nurse  
Bennet

and I'll be  
prepping you  
for your  
"PROCEDURE"  
today!

And HE  
said,

"OH MY GOD !  
Nooooooooooooo  
ooooooooooooo  
ooooooooooooo ! "

A woman with dark curly hair and glasses, wearing a white nurse's uniform, a blue stethoscope, and white gloves, stands in a clinical setting. She is looking directly at the camera with a slight smile. The background includes a metal stand with a black device and some papers hanging on the wall.

And then  
SHE said,

"NOOOOOO  
OOOOOOOO  
OOOOOO ! "

Ooooooh YES,  
Honey!

You were  
TOLD to  
OBEY me,

but you  
WOULDN'T!

NO WAY!

You may  
COMPLETE the  
"Procedure"  
now Doctor  
Mc Quay!

A healthcare worker, likely a nurse or doctor, is shown from the chest up. They are wearing a green surgical cap and a white surgical mask. They are looking directly up at a large, circular surgical light fixture that is brightly illuminated. The light fixture has the brand name "Inager Sola" visible on its frame. The worker is wearing green scrubs. The background is a plain, light-colored wall.

Yes Maam!

"Noooooooooooo  
ooooooooooooo!"

"OH MY GOD!"  
"NOOOOOOOOOOOOOOOOOOOOOOO!"

**The End**

And I DOUBT if  
I have to give  
you a QUIZ

about what the  
NAME of that  
"Procedure"  
is!

DO I?

NOOOOOO!  
I didn't  
THINK so!

Now go put your  
wrist and ankle  
cuffs on

lay down on my  
bed face UP,

open your  
legs WIDE,

and WAIT  
for me!
