In a female
dominated
relationship

the roles
of both
parties are
CLEARLY
defined!

The
FEMALE is
the boss,

and she
controls
EVERY
aspect of
the males
life,

and the
male?

"WELLLLLLL,"

What are
you doing?

"I'm dusting,
Mistress!"

The dusting
can wait,

get your
ass in my
bedroom,

I want
to PLAY!

"YES
MISTRESS!"

You're ALL ready
to play with me
now, aren't you?

"YES
MISTRESS!"

Then let's
PLAY, Honey!

"YES
MISTRESS!"

Four
WONDERFUL
hours later,

for
HER,

Now wasn't
that more
fun than
dusting my
living room?

"YES
MISTRESS!"

Yeah,
I must have
came about
fifty times,
Huh?

"YES
MISTRESS!"

God,
I bet that
YOU'D love
to be allowed
to come now,
Huh?

"YES
MISTRESS!"

Well,
you're
NOT!

YOU have
a house
to finish
cleaning,

slave!

The End

Yes!
the roles
ARE clearly
defined!

And she
definitely
has no
problem

REMINDING you
what your
role is,

doe's
she?

Now crawl
over here
so I can get
you dressed!
