

When you give her your balls

as submissive men do

you'll learn how to suffer

while she "Come Trains" you.

And there's times when you're

crying and BEGGING so grave

that you wish from this suffering
your Mistress will save,

and take for her OWN, those
balls that you GAVE!

GOD, it
must be
hard for
you,

being
used for
sex like
this
when
I get
horny,

and
NEVER
being
allowed
to come
for me,

except
for the
once or
twice a
MONTH,

when I
let you
kneel at
my feet
and jerk
yourself
off!

Sometimes
I wonder
if when
you
became
my
slave,

and you
GAVE
me your
balls,

if it
would have
KINDER
for you

if I would
have **TAKEN**
them!

Huh?

"What Should She Do?"

What should a
Mistress DO
with her slaves
useless balls?

He really
don't NEED
them,

oh NO, not
at ALL!

A woman with curly blonde hair is sitting on a bed with a light blue patterned sheet. She is wearing black lace bodysuits and is holding a lit cigarette in her right hand. She has a contemplative expression. In the background, a white headboard and a lit candle are visible.

No, he
really
don't
NEED
those
two
things
hanging
south,

to pleasure
his
Mistress,

A woman with blonde hair is lying on a dark purple couch, smiling and looking upwards. She is wearing a white button-down shirt. In the foreground, the back of a man's head with brown hair is visible. The background consists of a wooden paneled wall and a green plant in the upper right corner.

with his
tongue and
his mouth!

A woman with blonde hair is lying down, wearing a white button-down shirt and a dark skirt. She has her eyes closed and a slight smile. In the foreground, the back of a man's head with brown hair is visible. The background is a wood-paneled wall.

And besides,
all that she
ever let's
HIM use
them for,

is to jerk off
for her and
squirt his
come on her
floor,

which she MIGHT
let him do
once a week
maybe two,

if she feels
like giving him
PERMISSION
to!

So the most
MERCIFUL thing
that she CAN
do so far,

is to snip
the things
OFF,

A clear glass jar with a white lid, sitting on a light-colored surface. The jar is mostly empty, but at the bottom, there are several small, shiny silver coins. The text "and put THEM in a jar!" is superimposed on the upper part of the jar.

and put THEM
in a jar!

Or
would
it be
better,

to
simply
tie them
REALLY
tight,

and wait till
they fall off
by THEMSELVES
one dark night?

Hmmmmmmmmmm?

The End

SO!

are you going
to complain
about not
being
allowed
to come
again
TODAY?

"NO
MISTRESS!"

GOOD ,

because
that story
gave me ideas
about how I
could be KIND
to you,

and end
your misery
for EVER!

DIDN'T
it?

"YES
MISTRESS!"

Now shut
up and
SUFFER!

"YES
MISTRESS!"
