

Ooooooooooh YES, it's TRUE, it REALLY
occurs, YES it do,

when the control of not only the
WHEN but the HOW is hers TOO!

There once
was a
submissive
man whose
Wife/Mistress
kept him
obedient
and meek

by allowing
him to cum
only ONE
time each
week!

And when she
finally
ALLOWED him
to cum on
that special
ONCE a week
day,

it was always
HER, his Wife
and his
MISTRESS

"Who Decided The Way!"

One week she made
me cum by jerking
off in front of
her Girlfriend
Maxine,

and another week
it was with her
Fem dom clubs
"milking"
machine,

A close-up photograph of a person's legs from the knees down. They are wearing black, shiny, high-heeled shoes. The person's feet are positioned close together, and a small, light-colored, fleshy object is visible between the tips of the shoes. The background is a plain, light-colored floor.

and then there
was the week I had to
cum THIS way for her Girlfriends
Sharon and Grace,

but the worst
of all SO far
of his weekly
disgrace
was having

Beth!

Sue!

Carol

Ann!

A person wearing a dark, patterned bikini is sitting on the legs of another person. They are holding a penis in their hands. The scene is set against a plain, light-colored background.

WATCH
as I came
all OVER
my face!

The End

But despite
ALL his
humiliations
and ALL his
disgrace,

he got on
his knees
EVERY week
and said

A woman with long, straight blonde hair is seated on a dark brown leather sofa. She is wearing a white, sleeveless, short-sleeved top with a ruffled hem. Her hands are clasped together in her lap, and she is looking down at them. The background is a plain, light-colored wall. The overall tone of the image is soft and intimate.

THANK YOU
MISTRESS
GRACE!
