

"slave, I'll tell you a story about
something which perplexes me

while you're kneeling there naked
and totally submissive to me."

This is a VERY
short story
about a
submissive man
who's a SLAVE
to his STRICT

"Wife Slash Mistress"

who told
him
"Go bring
me my
paddle!
You're
getting
TWENTY!"
and he
meekly
obeyed
and
returned
saying

**Yes Mistress
Trish!**

So why did
he KNOWING
that
paddle was
going to
hurt like
a BITCH,

get BACK
on his
knees and
HAND it to
her,
with an
erection
like
THIS?

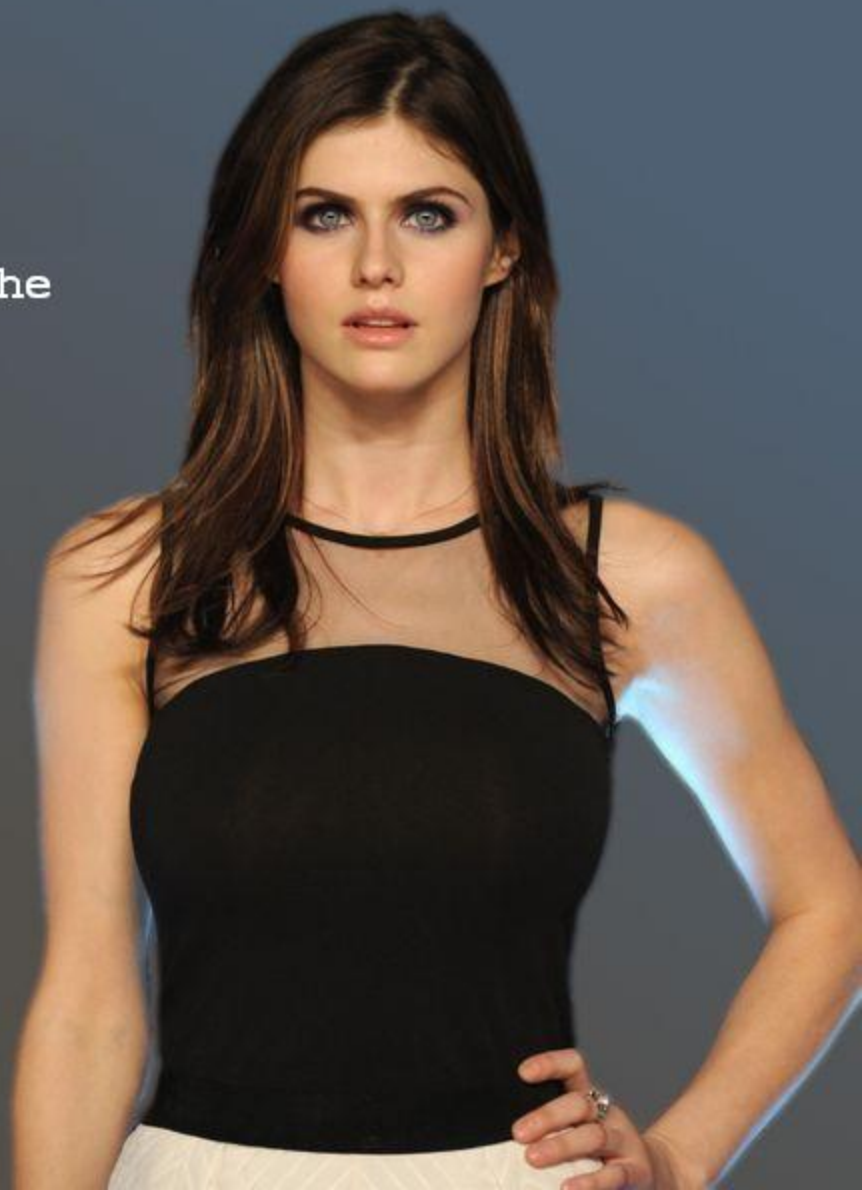

The End

And I don't know the
answer but it SURE
looks like YOU,
are erect for the
same reason HE is,
AREN'T you slave?

Yes
Mistress
Sue!
