

For years MEN have done it to  
Females who

were down on their luck and cried  
Oh Boo Hoo

and were taken advantage of  
in a most IMMORAL way

but the times the're a CHANGING!  
And they're changing TODAY!

My  
'assistant's  
gonna tell  
you a story  
about how  
times have  
changed

and how the  
male Female  
dynamic has  
been  
rearranged

and how now  
FINALLY it  
can be a  
WOMAN who  
savors

settling  
accounts

**"With Sexual Favors!"**

Once upon a  
time I thought  
that NO man  
would do

what YOU love  
to kneel  
between my  
legs, and so  
PASSIOATELY  
do!

And then  
bring me to  
ORGASMS one  
after the  
other

while you  
pleasure me  
with that  
mouth I so  
HUGRILY  
smother

with my very  
WET femininity  
until I'm  
totally  
SPENT,

but I suppose  
there are  
WORSE ways  
for a guy  
to pay his  
landlord  
the RENT!

AREN'T  
there  
Dear?

Yes Mrs.  
Kent!

YEAH!  
Now let's  
discuss the  
matter of  
your OVER DUE  
rent!

**The End**

And as soon  
as SHE'S  
through  
doing YOU

and I'M  
through  
doing  
THIS,

guess what  
part of ME  
you're  
gonna  
worship  
and kiss?
