

Some employers may give you a free gym membership

to keep you the employee all healthy and fit

or a vacation that lasts maybe two weeks or three

or a deal on your pension that just can't be beat

Yes, some of these perks offered, they really are bliss

but not many firms offer a work perk like THIS!

A woman with brown hair tied back, wearing a grey pinstriped blazer over a white shirt, is sitting at a white desk. She is holding a black mobile phone to her ear with her right hand and smiling. On the desk in front of her are a clipboard with papers, a computer mouse, a glass of water, and some papers. A computer monitor is visible on the right side of the desk. The background is plain white.

Hi Stress Management,
this is Laurie in Accounting,
could you send one up to me?
