

No it DON'T take too much, [REDACTED]  
it really is TRUE

to get a male who's  
submissive

to WANT to serve you

He'll say "Yes Mistress" and  
mean it

and serve your every desire

and he'll do it because

that's the way that he's wired.

Alot of  
people think  
that a  
dominant  
woman

has to use  
WHIPS and  
chains and  
violence

to make a  
submissive  
male do what  
she wants  
him to do!

But you  
know WHAT?

She DOESN'T  
have to do  
that!

All she  
has to do

is tell  
him he has

**"Work To Do"**

Yes,  
you MAY  
come for me  
tonight

but you  
have WORK  
to do  
first!

A woman with long dark hair is standing on a bed, leaning forward. She is wearing a patterned bra, a white lace skirt, and sheer stockings. She is holding a white plastic bag. The bed has a yellow floral patterned duvet. The background is a red wall and a white door.

While  
you're  
cleaning  
the  
bathroom

you can  
hand wash  
this dress

and do all  
the laundry  
that's in  
the hamper

A woman with long dark hair is standing on a bed with a yellow floral patterned duvet. She is wearing a floral patterned bra, white lace underwear, and sheer tan stockings. She is holding a white cloth in her right hand and has her left hand on a white door frame. The background is a solid red wall. The text "before you clean the kitchen and do the dusting!" is written in a typewriter font in the upper right corner.

before you  
clean the  
kitchen  
and do the  
dusting!

Oh, and you  
can take  
this bra  
and hand  
wash IT,  
too!

And could  
you hand me  
my magazine  
before you  
go do your  
cleaning?

" YES  
MISTRESS ! "

Thank you  
honey,

you may make your  
self come when  
you're finished  
cleaning!

And it all better  
be done RIGHT

or I'll forbid you  
to make yourself  
come again

for ANOTHER  
two weeks!

And if you wake me  
UP while you're  
doing it,

you won't come  
again for a  
fucking YEAR!

Now get  
your ass  
BUSY!

"YES  
MISTRESS!"

**Four VERY long  
hours later,**

"Thank YOU  
Mistress! "

"Oh God,  
THANK You! "

**The End**

No, we DON'T need  
to use any whips

or chains

or violence,

DO  
we?
