

She'll make sure he won't come  
for WEEKS without end

If you think THAT'S his  
punishment

I suggest you think once  
again!

She doesn't  
USE belts or  
whips when HE  
misbehaves,

she has a  
MUCH better way  
of punishing  
HER slave!

First she locks  
him in THIS

for WEEKS  
without end,

before making  
HIM spend an  
evening

**"Entertaining Her Friends"**

"Please don't make  
me do this in front  
of your friends,  
Mistress!"

"Oh God Mistress,  
PLEASE!"

Let me put  
it THIS  
way slave,

they can  
either watch  
you jerking  
off for me,

until they  
go home,

without  
COMING,

or they could  
watch me whip  
the SHIT out  
of you,

until they  
go home,

without  
**MERCY!**

So decide what  
you want them  
to WATCH!

"Yes  
Mistress!"

**The End**

And they stayed  
for a LONG time  
and he STILL  
hadn't came,

and I don't  
think he'll  
want to disobey  
HER again

And he'll do  
what she WANTS

and he'll do  
what she SAYS,

after she puts  
him back  
IN this

for a couple  
MORE days!

WON'T  
he?
