

What was HARDEST to learn in my  
submissive life

was never to COME without the  
PERMISSION of my dominant wife

And I tried hard to be obedient  
like she wanted me to be

but I still had my little  
"ACCIDENTS" occasionally

slave,

you're  
going to  
LEARN to  
DO it

and that's  
the END  
of this  
discussion!

And NO slave,  
it ISN'T  
impossible!

ALOT of  
submissive  
males have  
learned to  
obey their  
Mistress  
THAT way!

This is  
a story  
about

**"My Friends Alice And Ted",**

TED is the  
person who  
is clipped  
to the bed!

ALICE is  
the person  
with his  
cock in  
HER hand,

teaching  
Ted NEVER  
to come  
until

she FINALLY  
tells him  
it's the END  
of the BAN

she IMPOSED  
on his COMING

all OVER  
her HAND!

And if he  
SHOULD  
disobey  
her,

and come  
ANYWAY,

she does  
THIS to  
his BALLS,

for the REST  
of the day!

And so THAT'S  
the story of my  
friends Alice  
and Ted,

now put your  
wrist and  
ankle cuffs  
on slave,

and wait  
for me  
on my bed!

"Yes Mistress,  
but PLEASE have  
some mercy on me?"

"You haven't  
allowed me to  
come for over  
TWO weeks!"

I'm AWARE of that  
slave, but that's  
too fucking BAD!

Now go DO what  
you were TOLD  
to do before  
I get MAD!

"YES MISTRESS!"
