

I'll agree that what this Mistress did
was uncouth

but what the Mistress at the end is
saying's the truth

He asked if
he may come
this week

when I told him
"You may speak!"

And when he asked
what he must DO,

I said "Jerk OFF
on your KNEES!"

"In Front of YOU!"

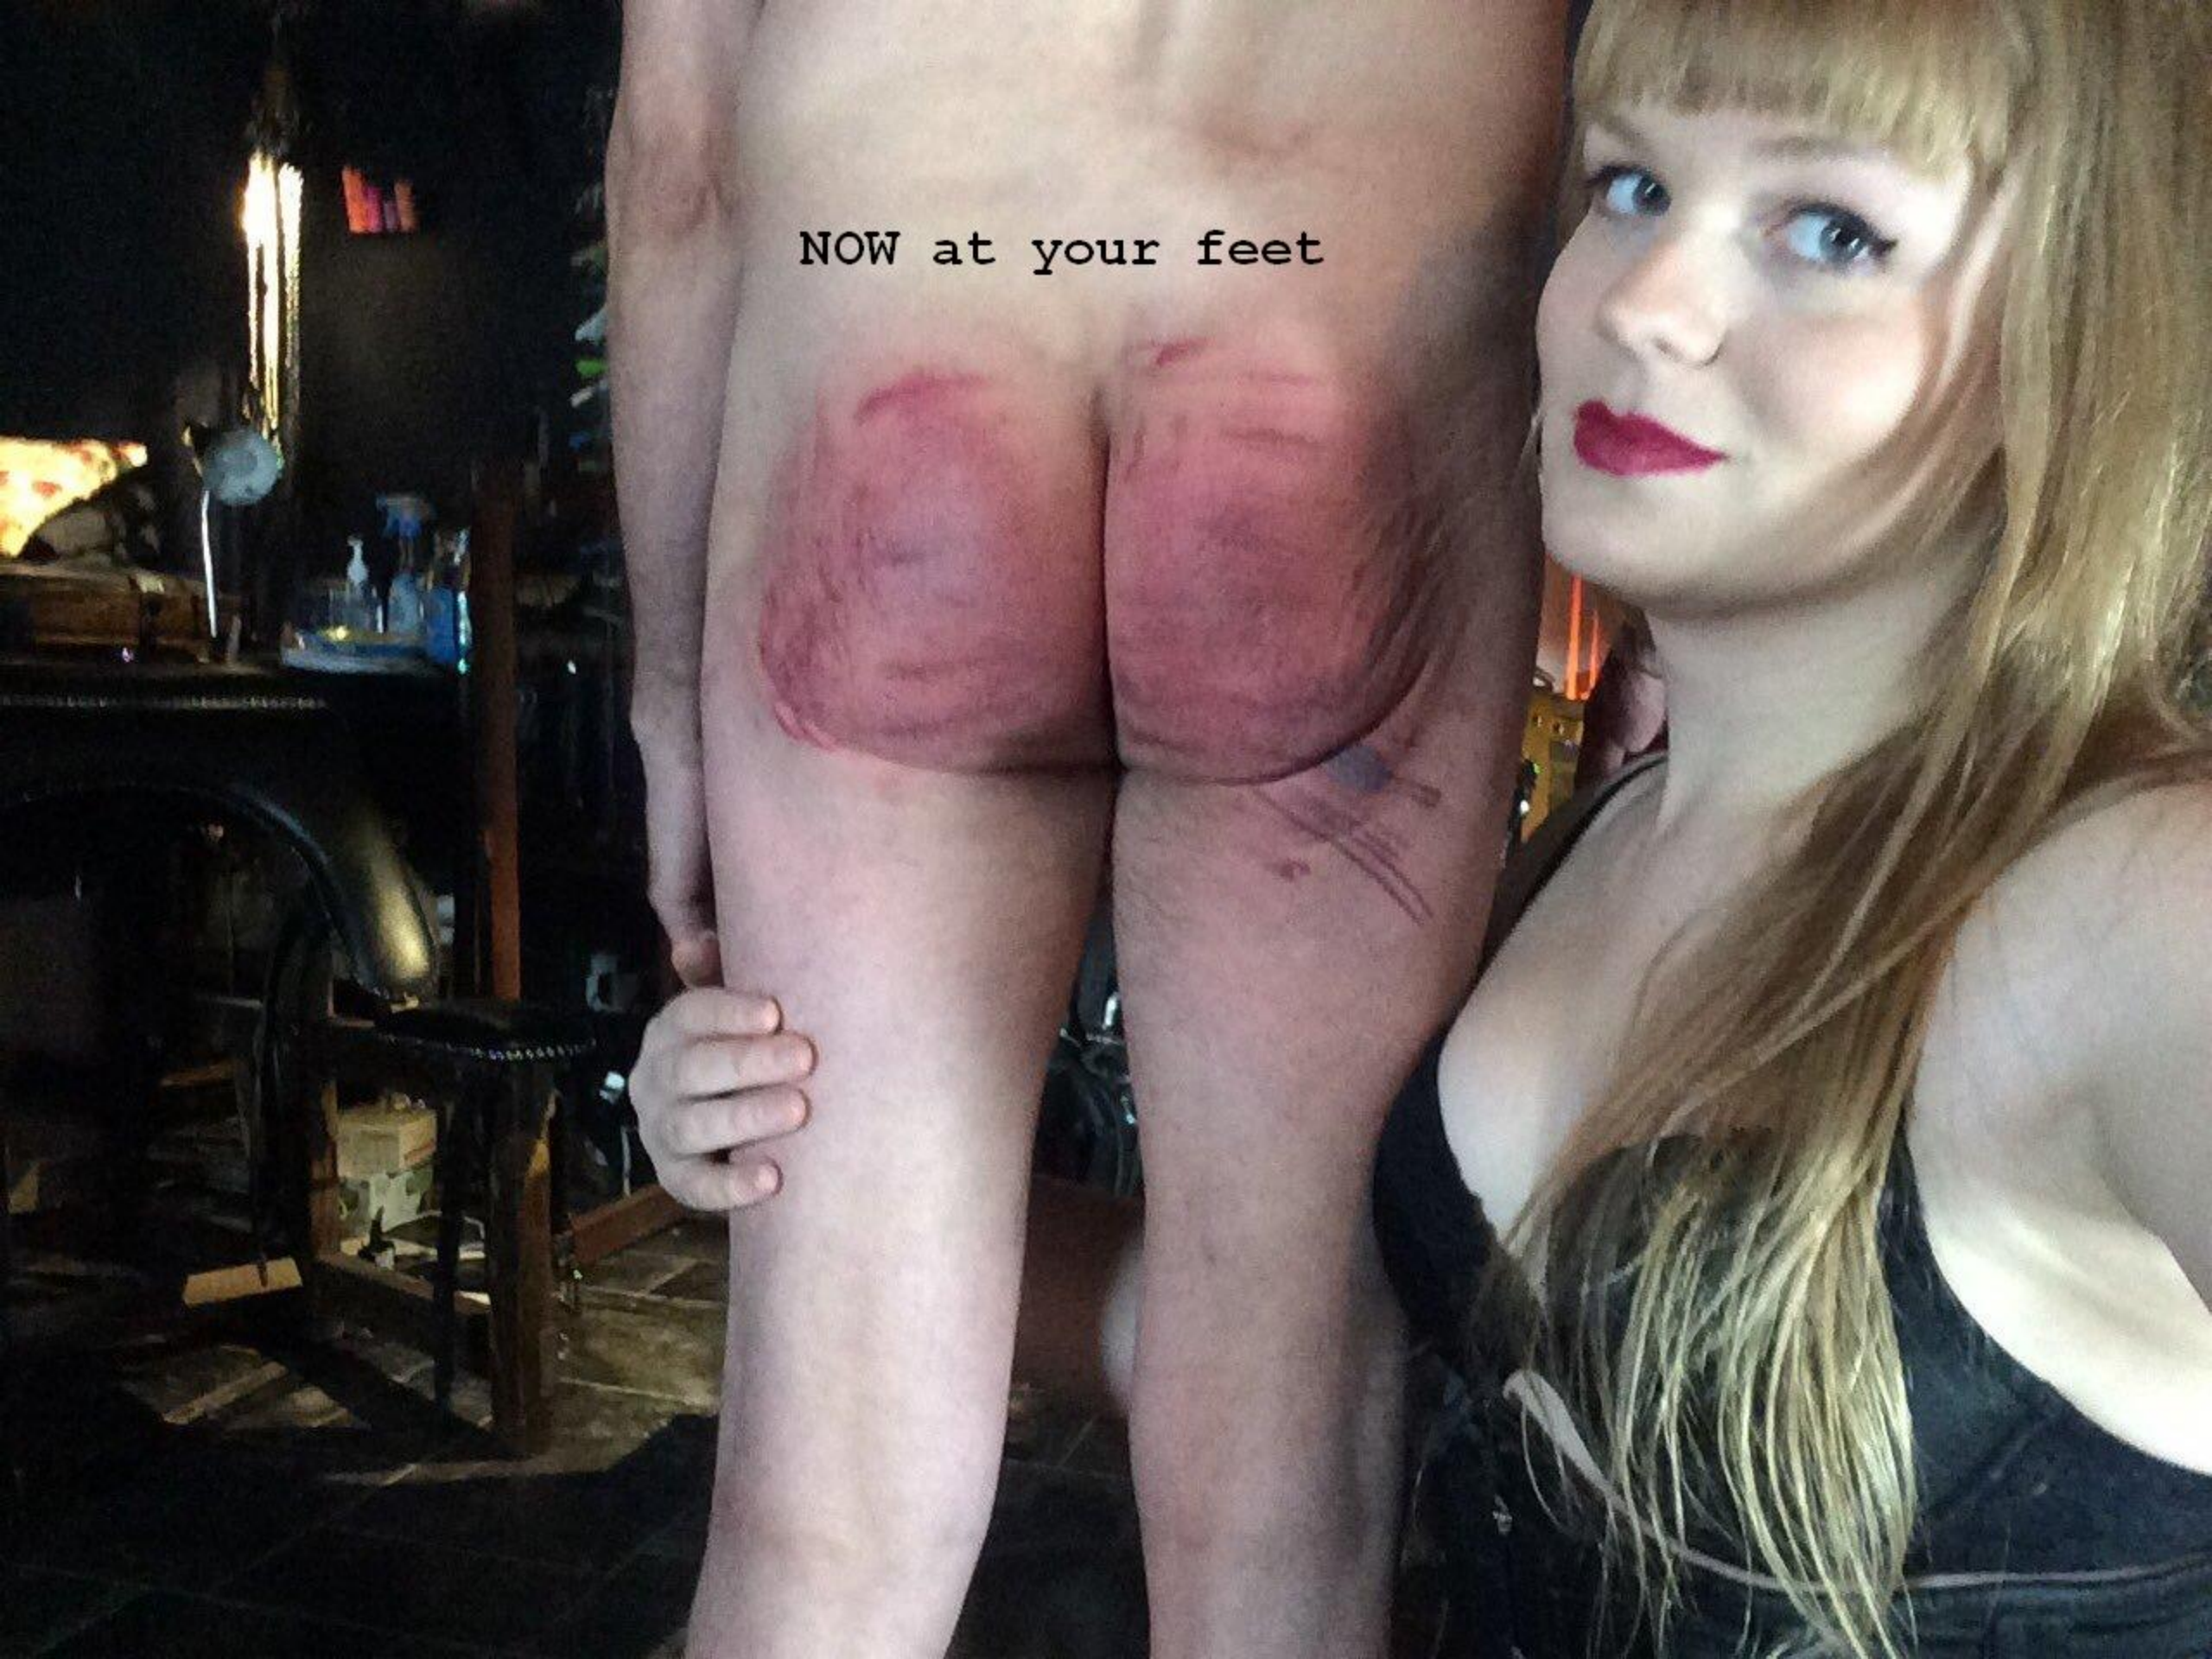

And when
he told me
"MISTRESS, NO!"

I grabbed my belt
and whipped him so!

NOW at your feet

he WILL
do this!

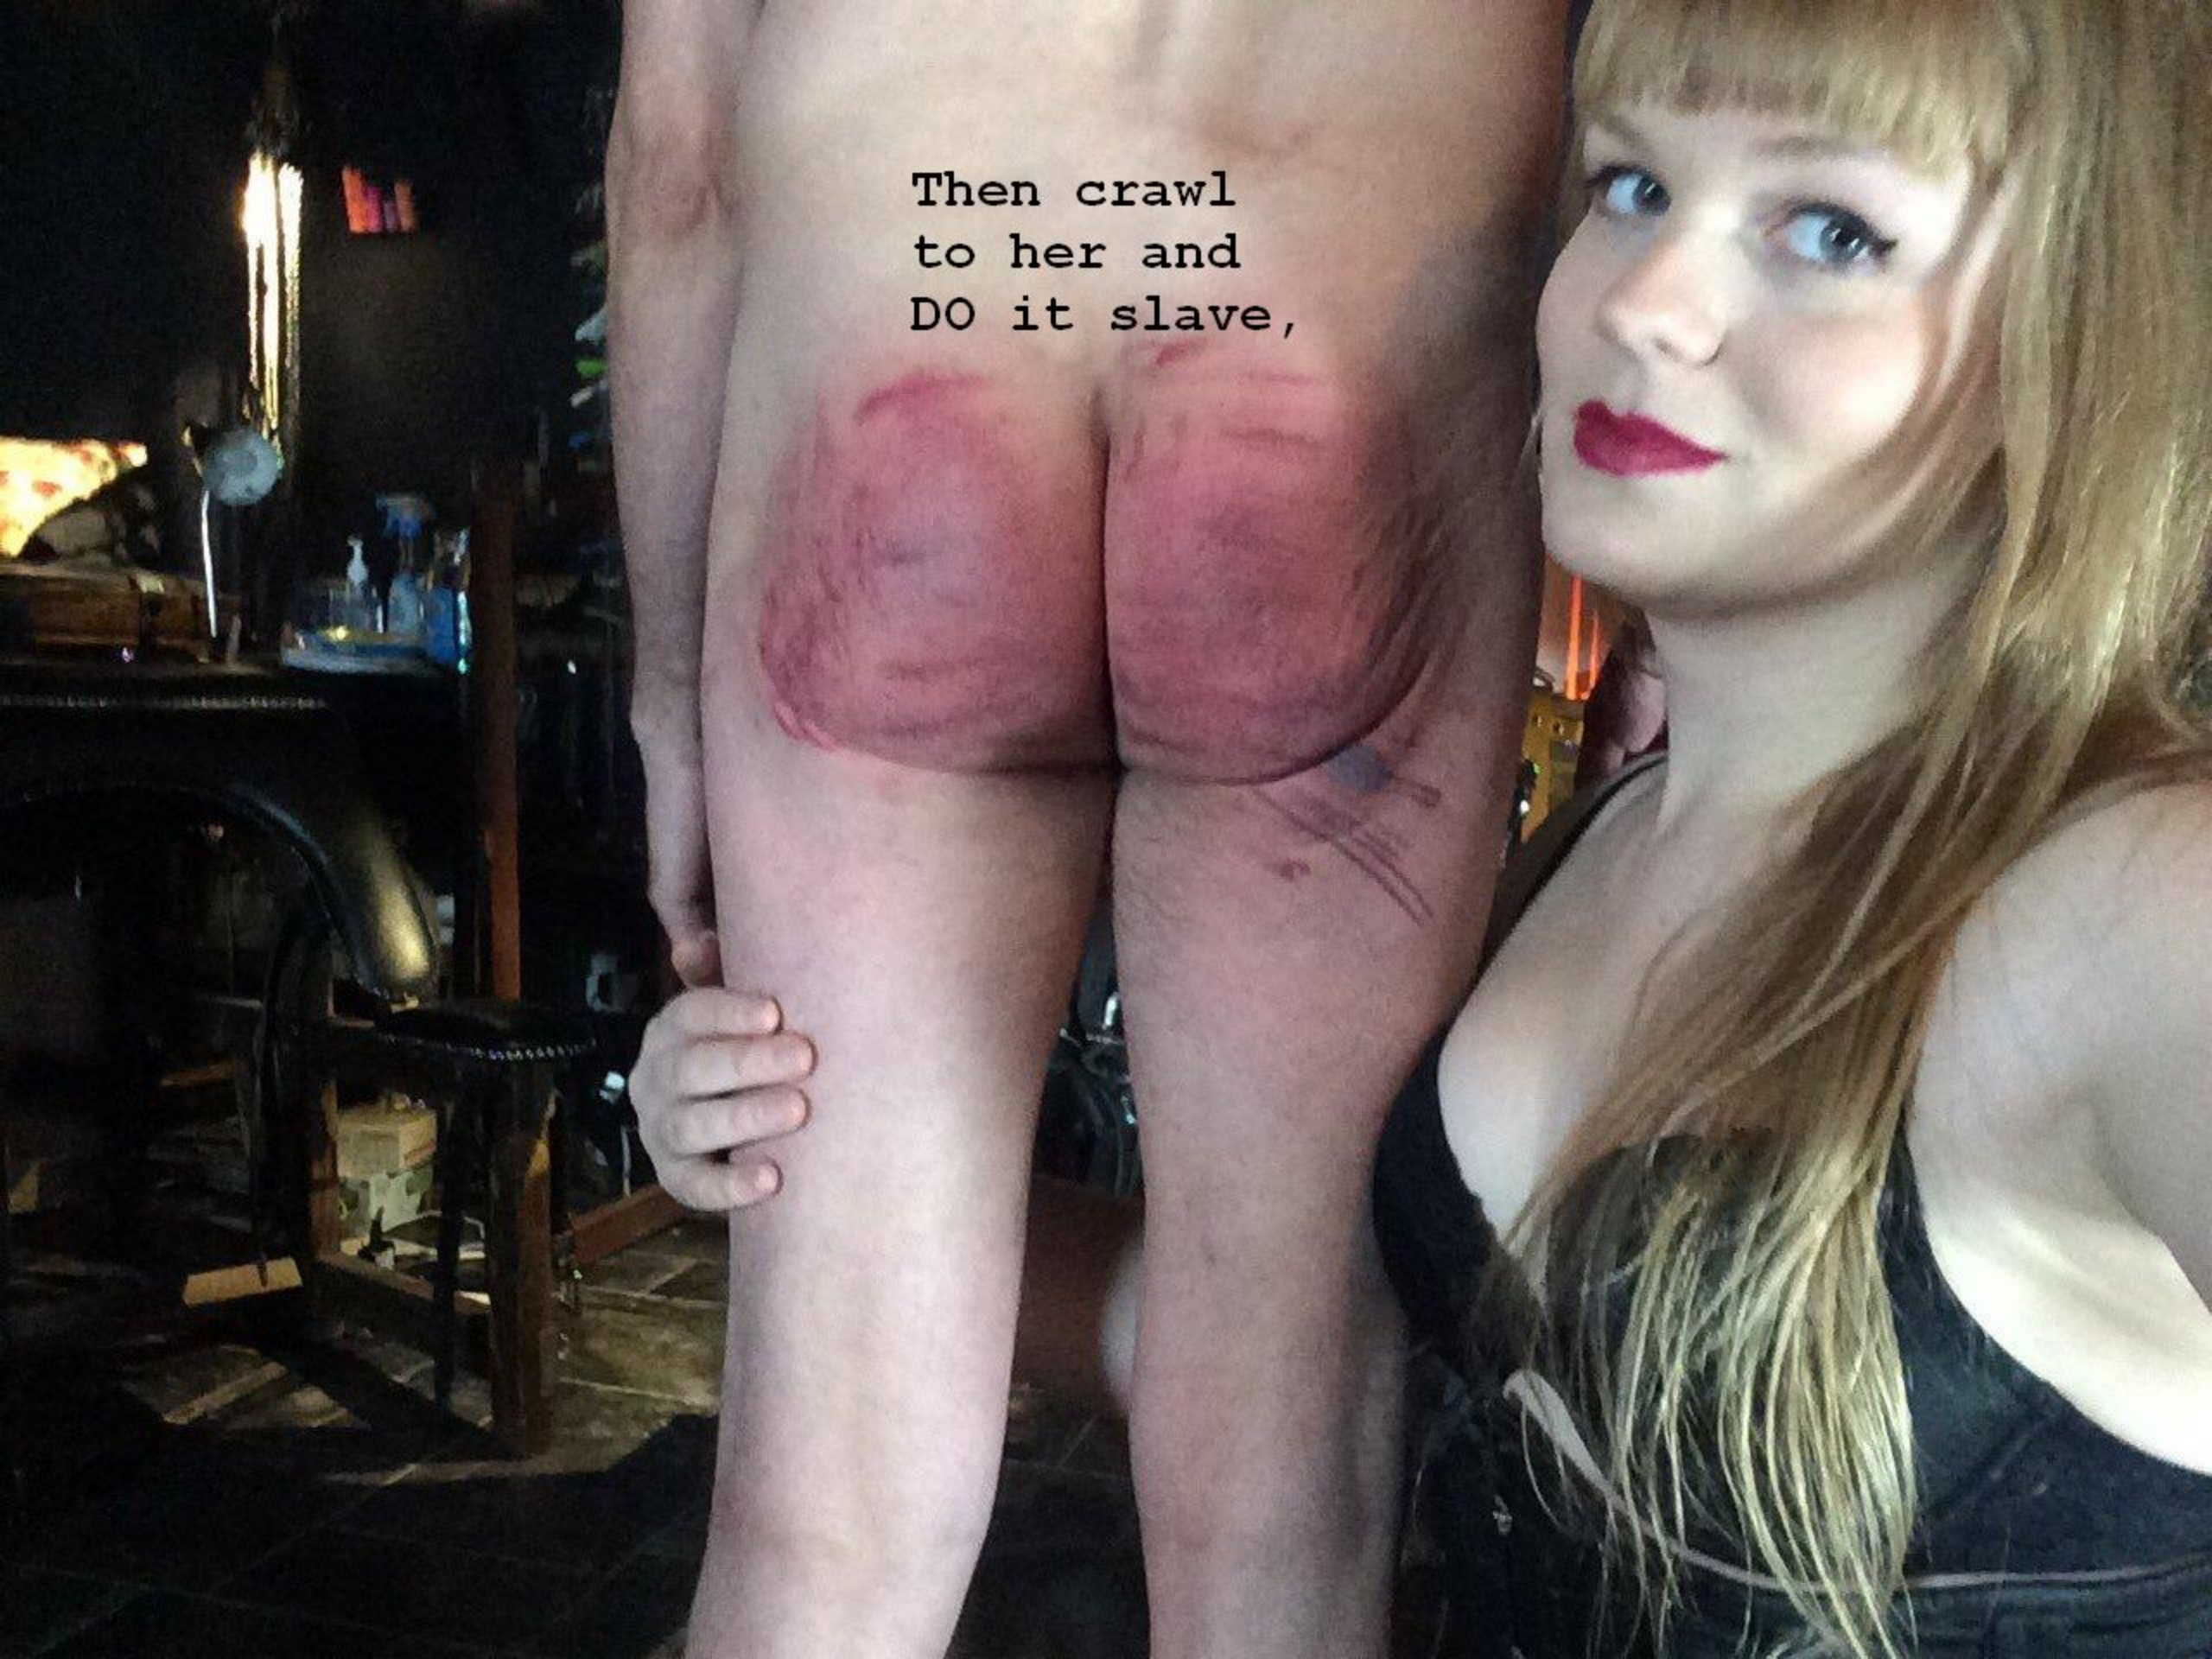

WON'T you,
slave?

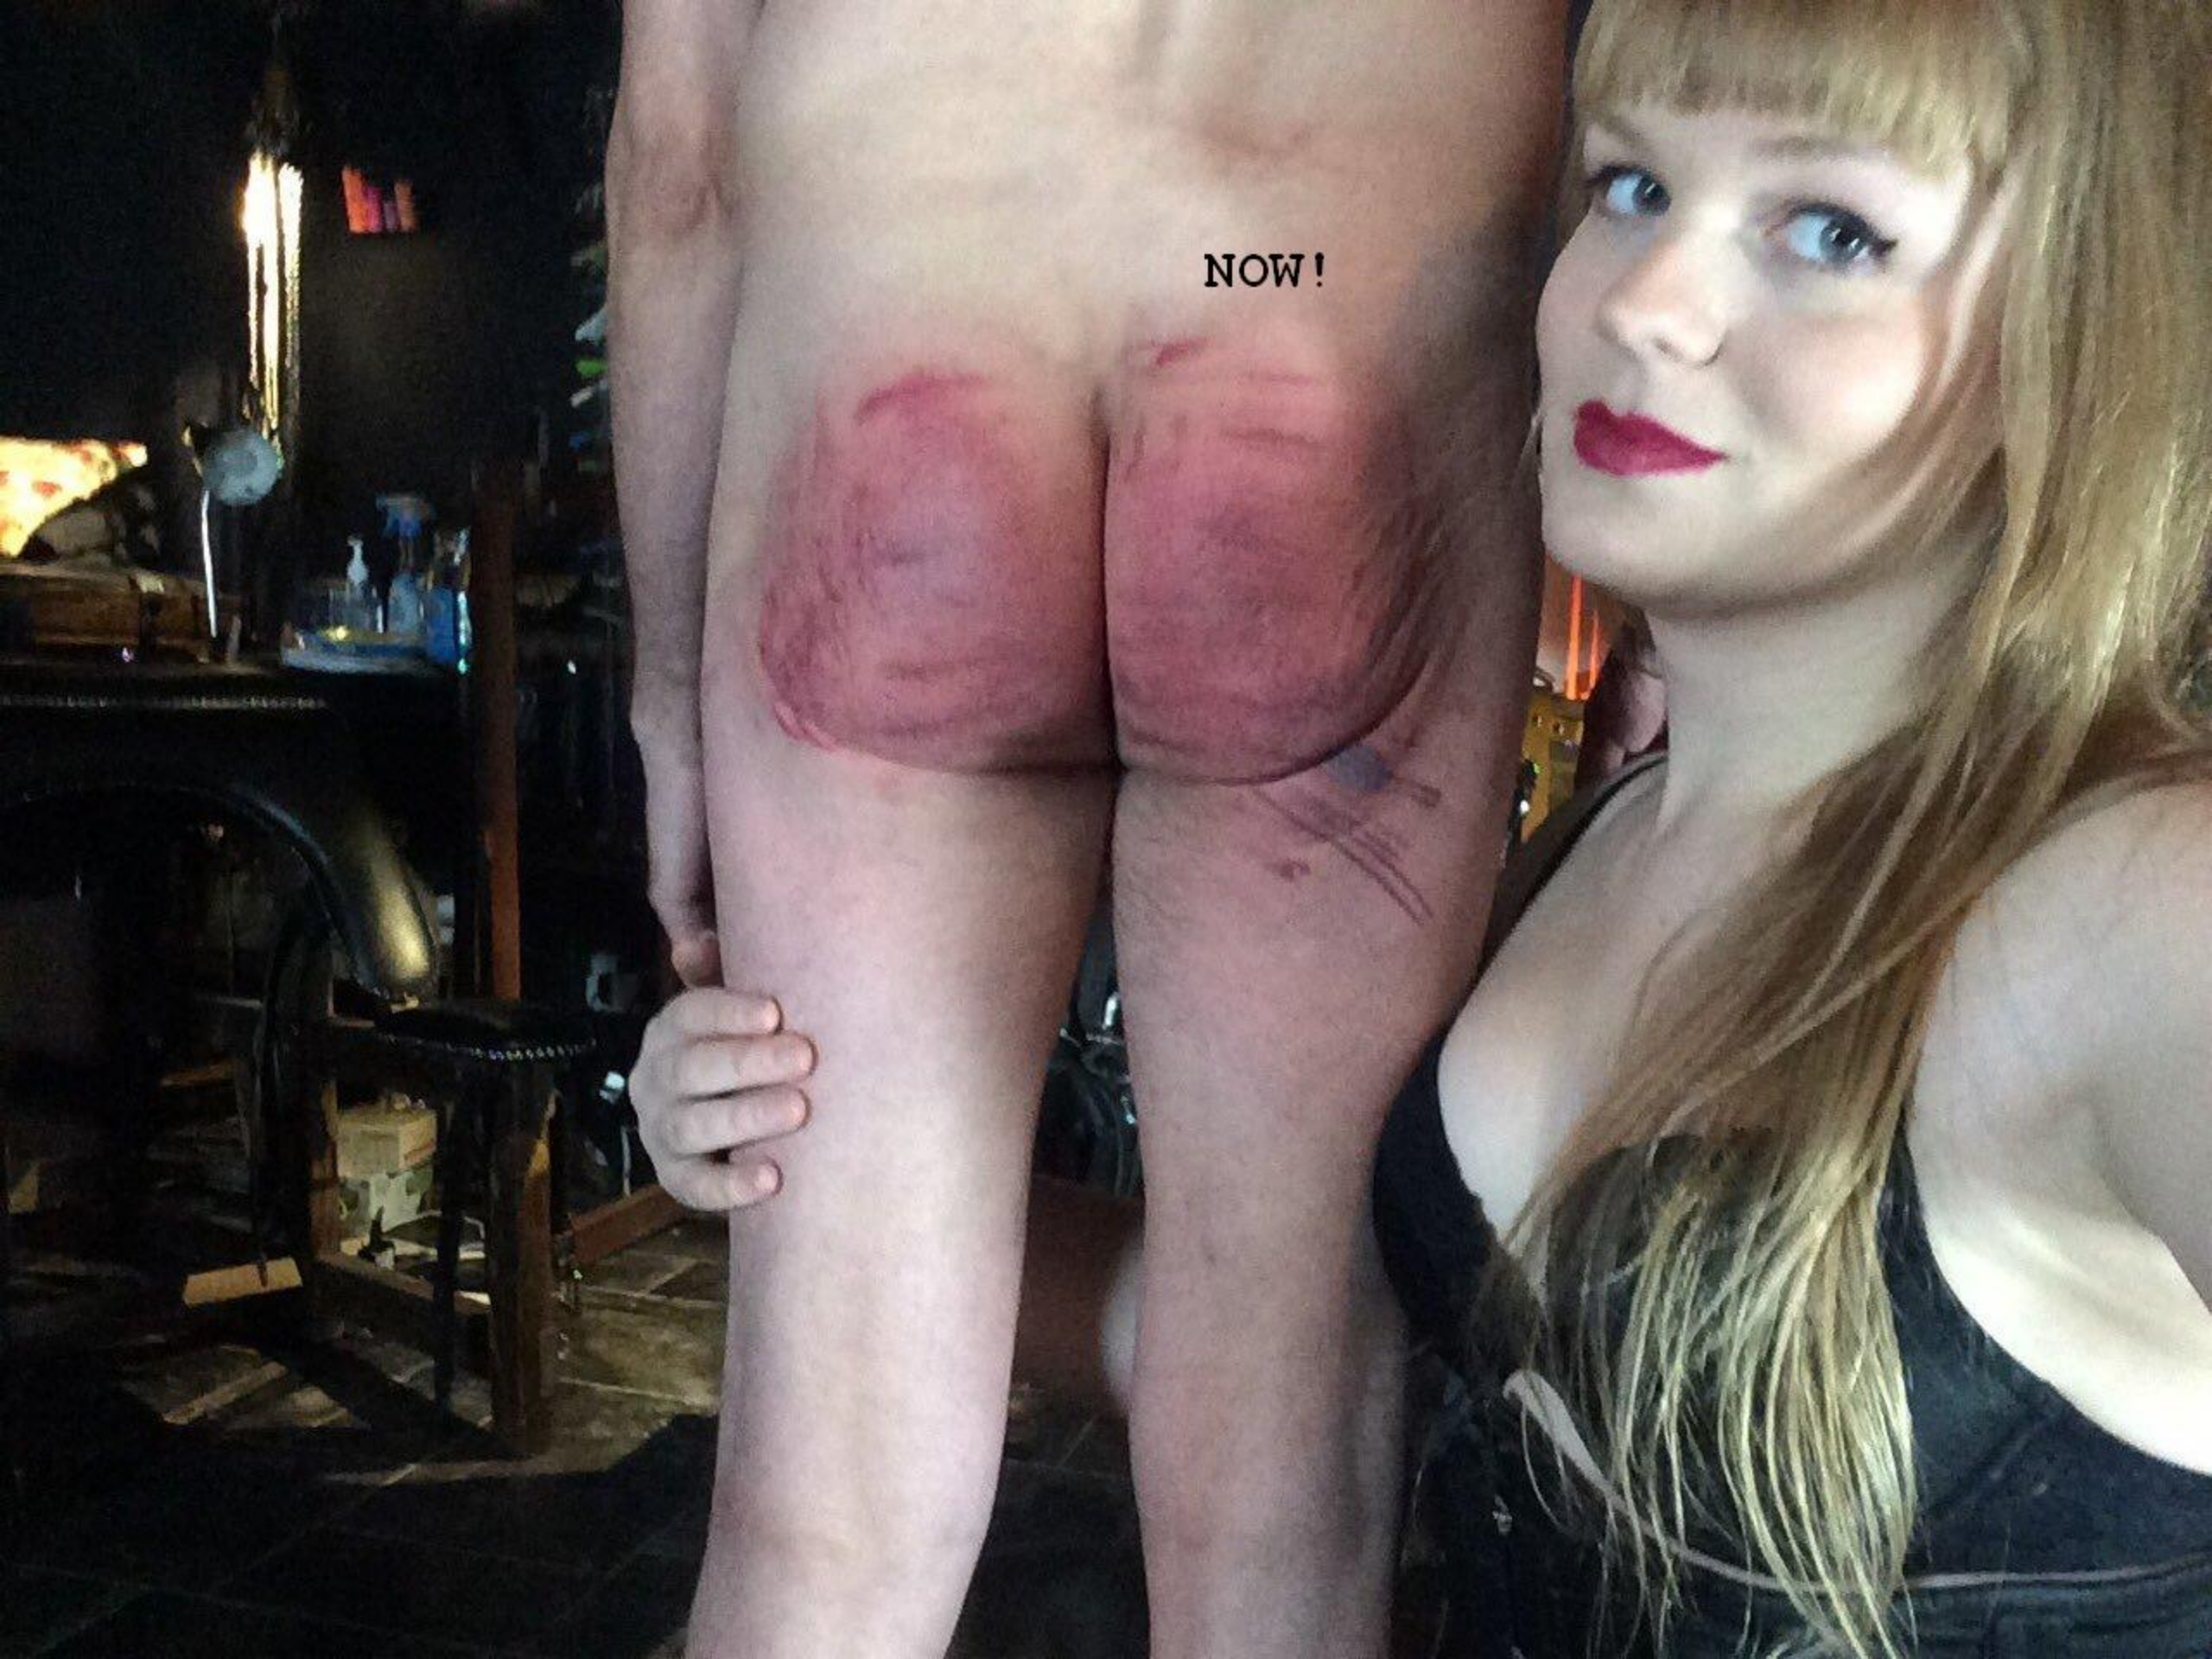

"Oh God
YES Mistress!"

Then crawl
to her and
DO it slave,

NOW!

"YES
MISTRESS!"

You may
come NOW,
slave!

And he
screamed
"THANK YOU
MISTRESS!"
as he came
at the end
of ANOTHER

long week
without
coming

and look
how it
HAPPENED!

Isn't THAT
something
that YOU'D
like to do

for a
dominant
Woman
like ME
on YOUR
knees
tonight?

Hmmmmmm?

Well,
I think
you DO,

and I'm
SURE that
I'm right!

Aren't I?
