

What makes a person feel so good
they want to jump and shout
is when the words "Because I
CAN"
come falling from their mouth!

Girls,
we ALL
want to
enjoy our
males

and the
fact that
we can do
ANY thing
we WANT
to them

DON'T
we?

YEAH!

But admit
it Girls

the fact
that we CAN
do that
feels
SO
good

that
SOME times
we get

"A Little Carried Away"

A man is on all fours on a light-colored carpet, facing a woman who is sitting on a black leather sofa. The man is shirtless and looking at the woman with a pleading expression. The woman is wearing a green long-sleeved top, a green skirt, and black thigh-high boots. She is holding a remote control and looking at the man with a slight smile. In the background, there is a wooden coffee table with a black object on it, a bookshelf with various books, and a window with light blue curtains.

"May I jerk
off and come
for you,
Mistress?"
