

Yes, you think that it's cruel
but you KNOW in your heart
it WILL make you obey her
RIGHT from the START!

This story's
about ME

and my new
slave boy
named Ted,

A woman with long brown hair is sitting on a black chair with a white seat. She is wearing a black, long-sleeved, deep V-neck dress and black and white pointed-toe high heels. She is looking directly at the camera with a neutral expression. The background is a plain white wall and a light-colored wooden floor.

and the
conversation
we had
LAST night

"While Lying In Bed!"

"I love you,
Mistress!"

I love
you TOO,
slave!

And I REALLY
am HAPPY

you've been
OBEYING me
the way

a slave
SHOULD be
obeying

his
Mistress
each day!

And if you
KEEP right
on DOING
that

there's a
GOOD chance
I MAY

give you
permission
to COME
for me

ONE of
these
days!

" Thank You
Mistress! "

You're
welcome
slave!

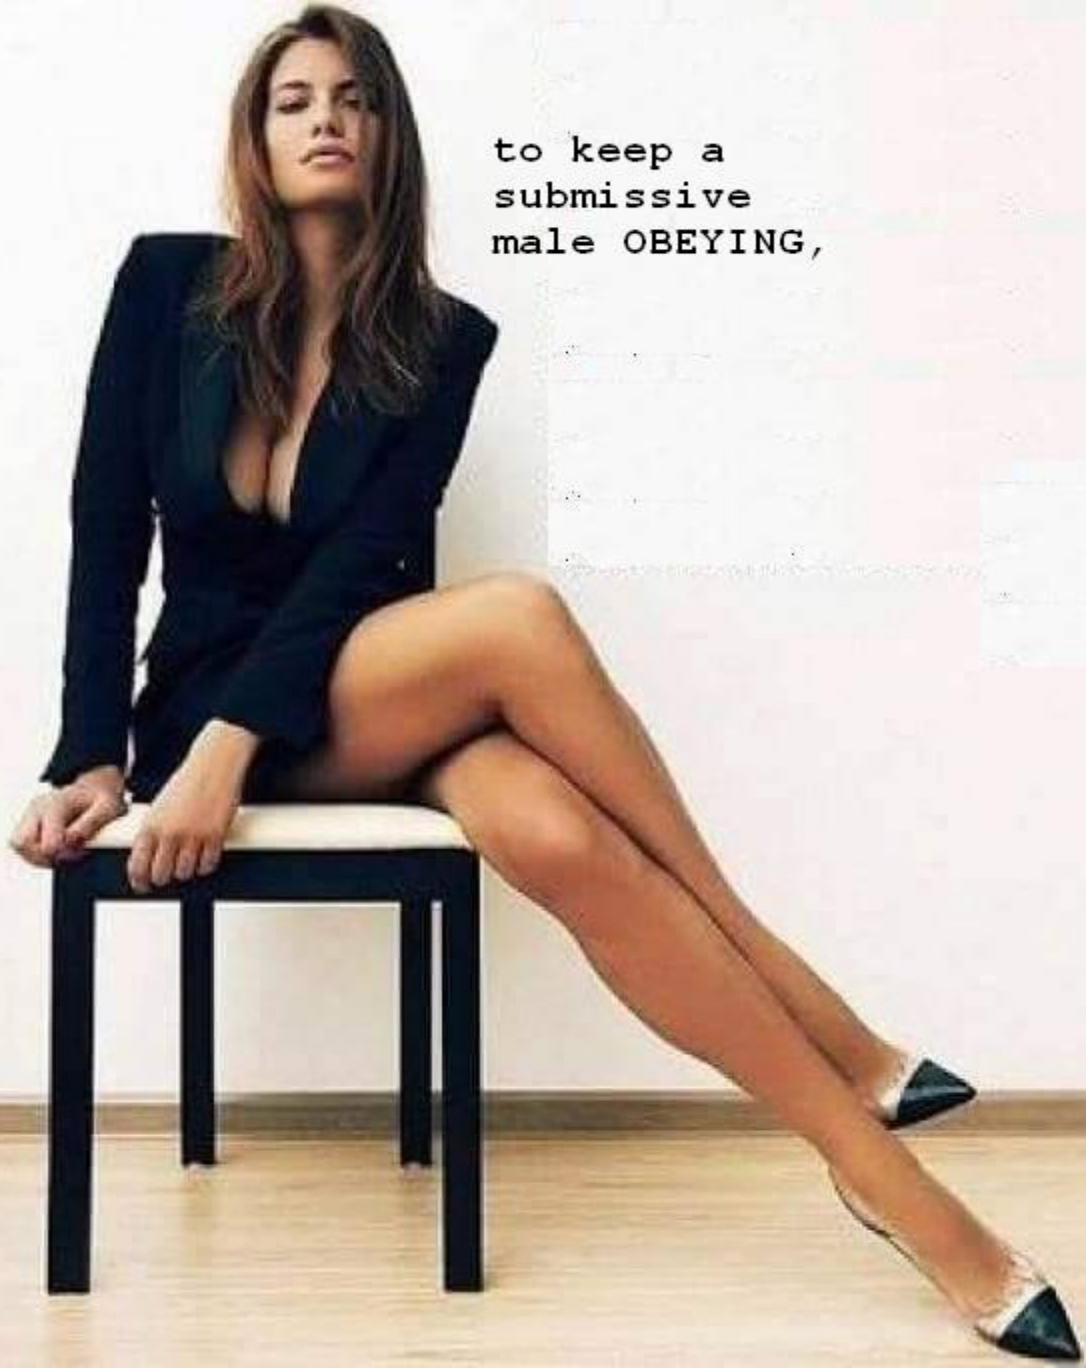

And I did NOT
let him come!

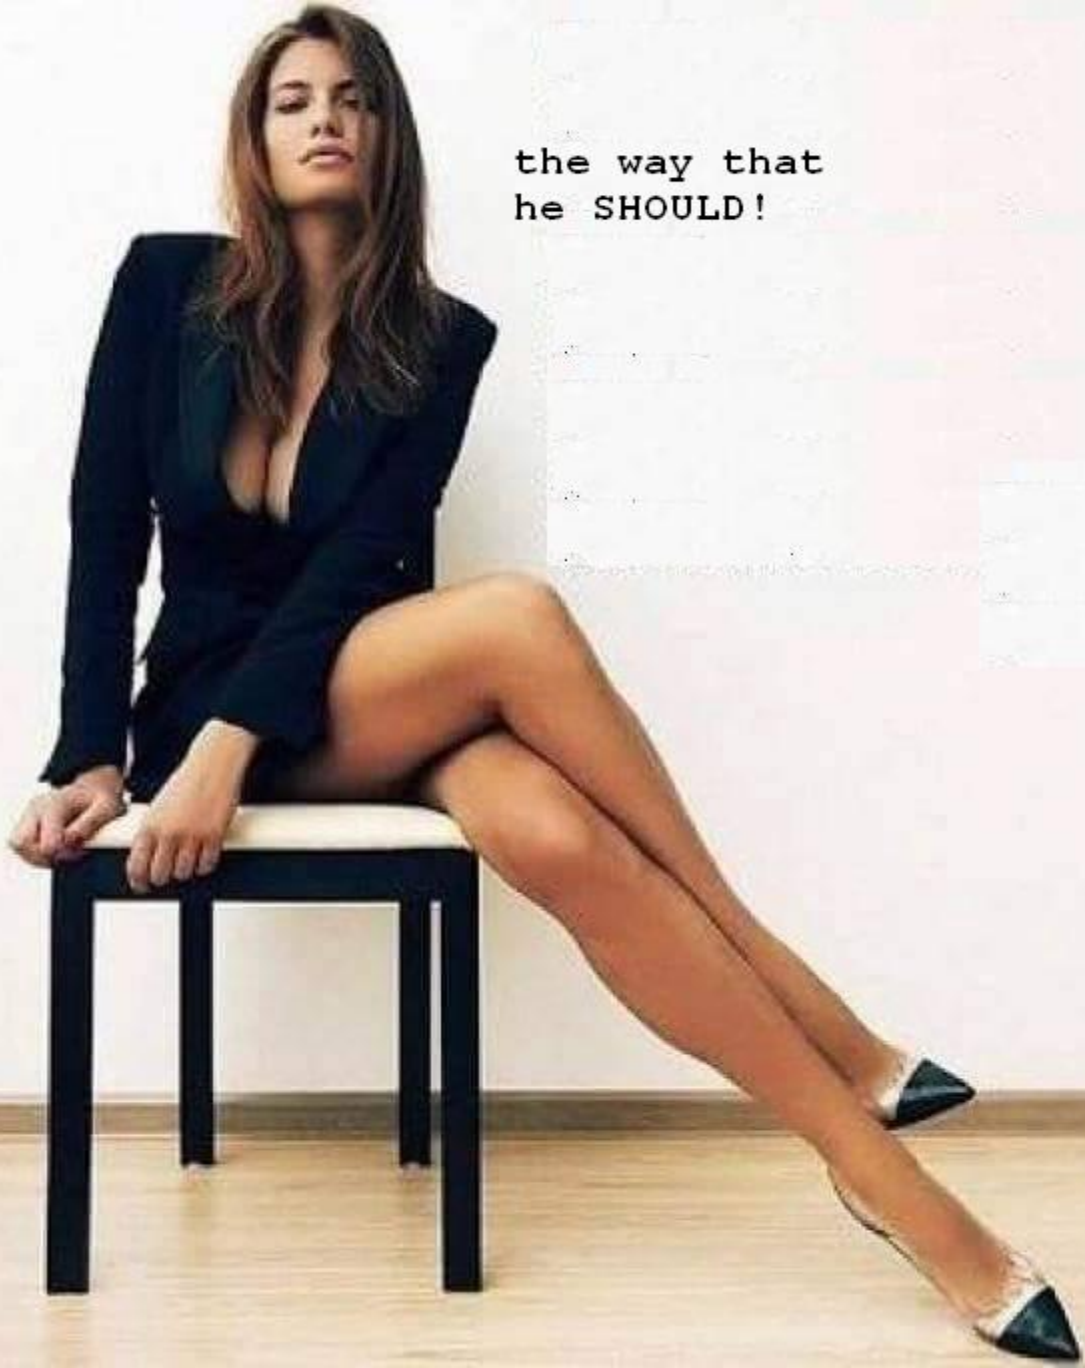

A woman with long brown hair is sitting on a black chair with a white seat. She is wearing a black, long-sleeved, deep V-neck blazer. Her legs are crossed at the ankles, and she is wearing black and white pointed-toe high-heeled shoes. The background is a plain white wall, and the floor is light-colored wood. The text "NO! I DID what I SHOULD," is overlaid on the right side of the image.

NO!
I DID what
I SHOULD,

to keep a
submissive
male OBEYING,

the way that
he SHOULD!

DIDN'T I?
