

If he wants to enjoy a lifetime of  
bliss

a submissive man quickly learns to  
always say "YES MISTRESS!"

and realize that in HER house SHE'LL  
decide what occurs

and that HIS wants don't MATTER,  
it's ALL about HERS!

Once upon a time when  
she changed my name to  
"SLAVE Pete"

he meekly  
knelt down

**"At His New Owners Feet!"**

Mistress?

WHAT  
slave?

May I please  
make myself  
cum on my  
knees for  
you tonight?

PLEASE?

I've served  
and obeyed  
you all week  
Mistress!

SO? You're  
my SLAVE and  
that's what  
you're  
SUPPOSED  
to do!

A woman with long blonde hair, wearing a red sleeveless dress and black high-heeled shoes, is leaning over a round wicker chair with white cushions. She is looking towards a man who is kneeling on an orange carpet. The man is shirtless and has his hands clasped behind his back. In the background, there is a television on a wooden stand and a nightstand with some items on it. The wall is a light pink color.

I KNOW  
Mistress  
but I want  
to cum  
REALLY bad  
Mistress!

I KNOW! And THAT  
will make you  
want to be  
VERY VERY  
obedient  
to me!

And THAT'S  
what I  
want!

And in MY house,  
SLAVE, it's ALL  
about what I  
want!

A woman with long blonde hair, wearing a red sleeveless dress and black high-heeled shoes, is leaning over a round wicker chair with white cushions. She is looking towards a man who is kneeling on an orange carpet. The man is shirtless and has his hands clasped behind his back. In the background, there is a television set on a wooden stand, a nightstand with a glass of orange juice and a fruit bowl, and a wall with light-colored curtains. The text "ISN'T it?" is overlaid on the top left, and "Yes Mistress!" is overlaid on the top right.

ISN'T  
it?

Yes  
Mistress!

YES!

Now go do  
my laundry,

clean my  
kitchen and  
bath room,

and  
THEN

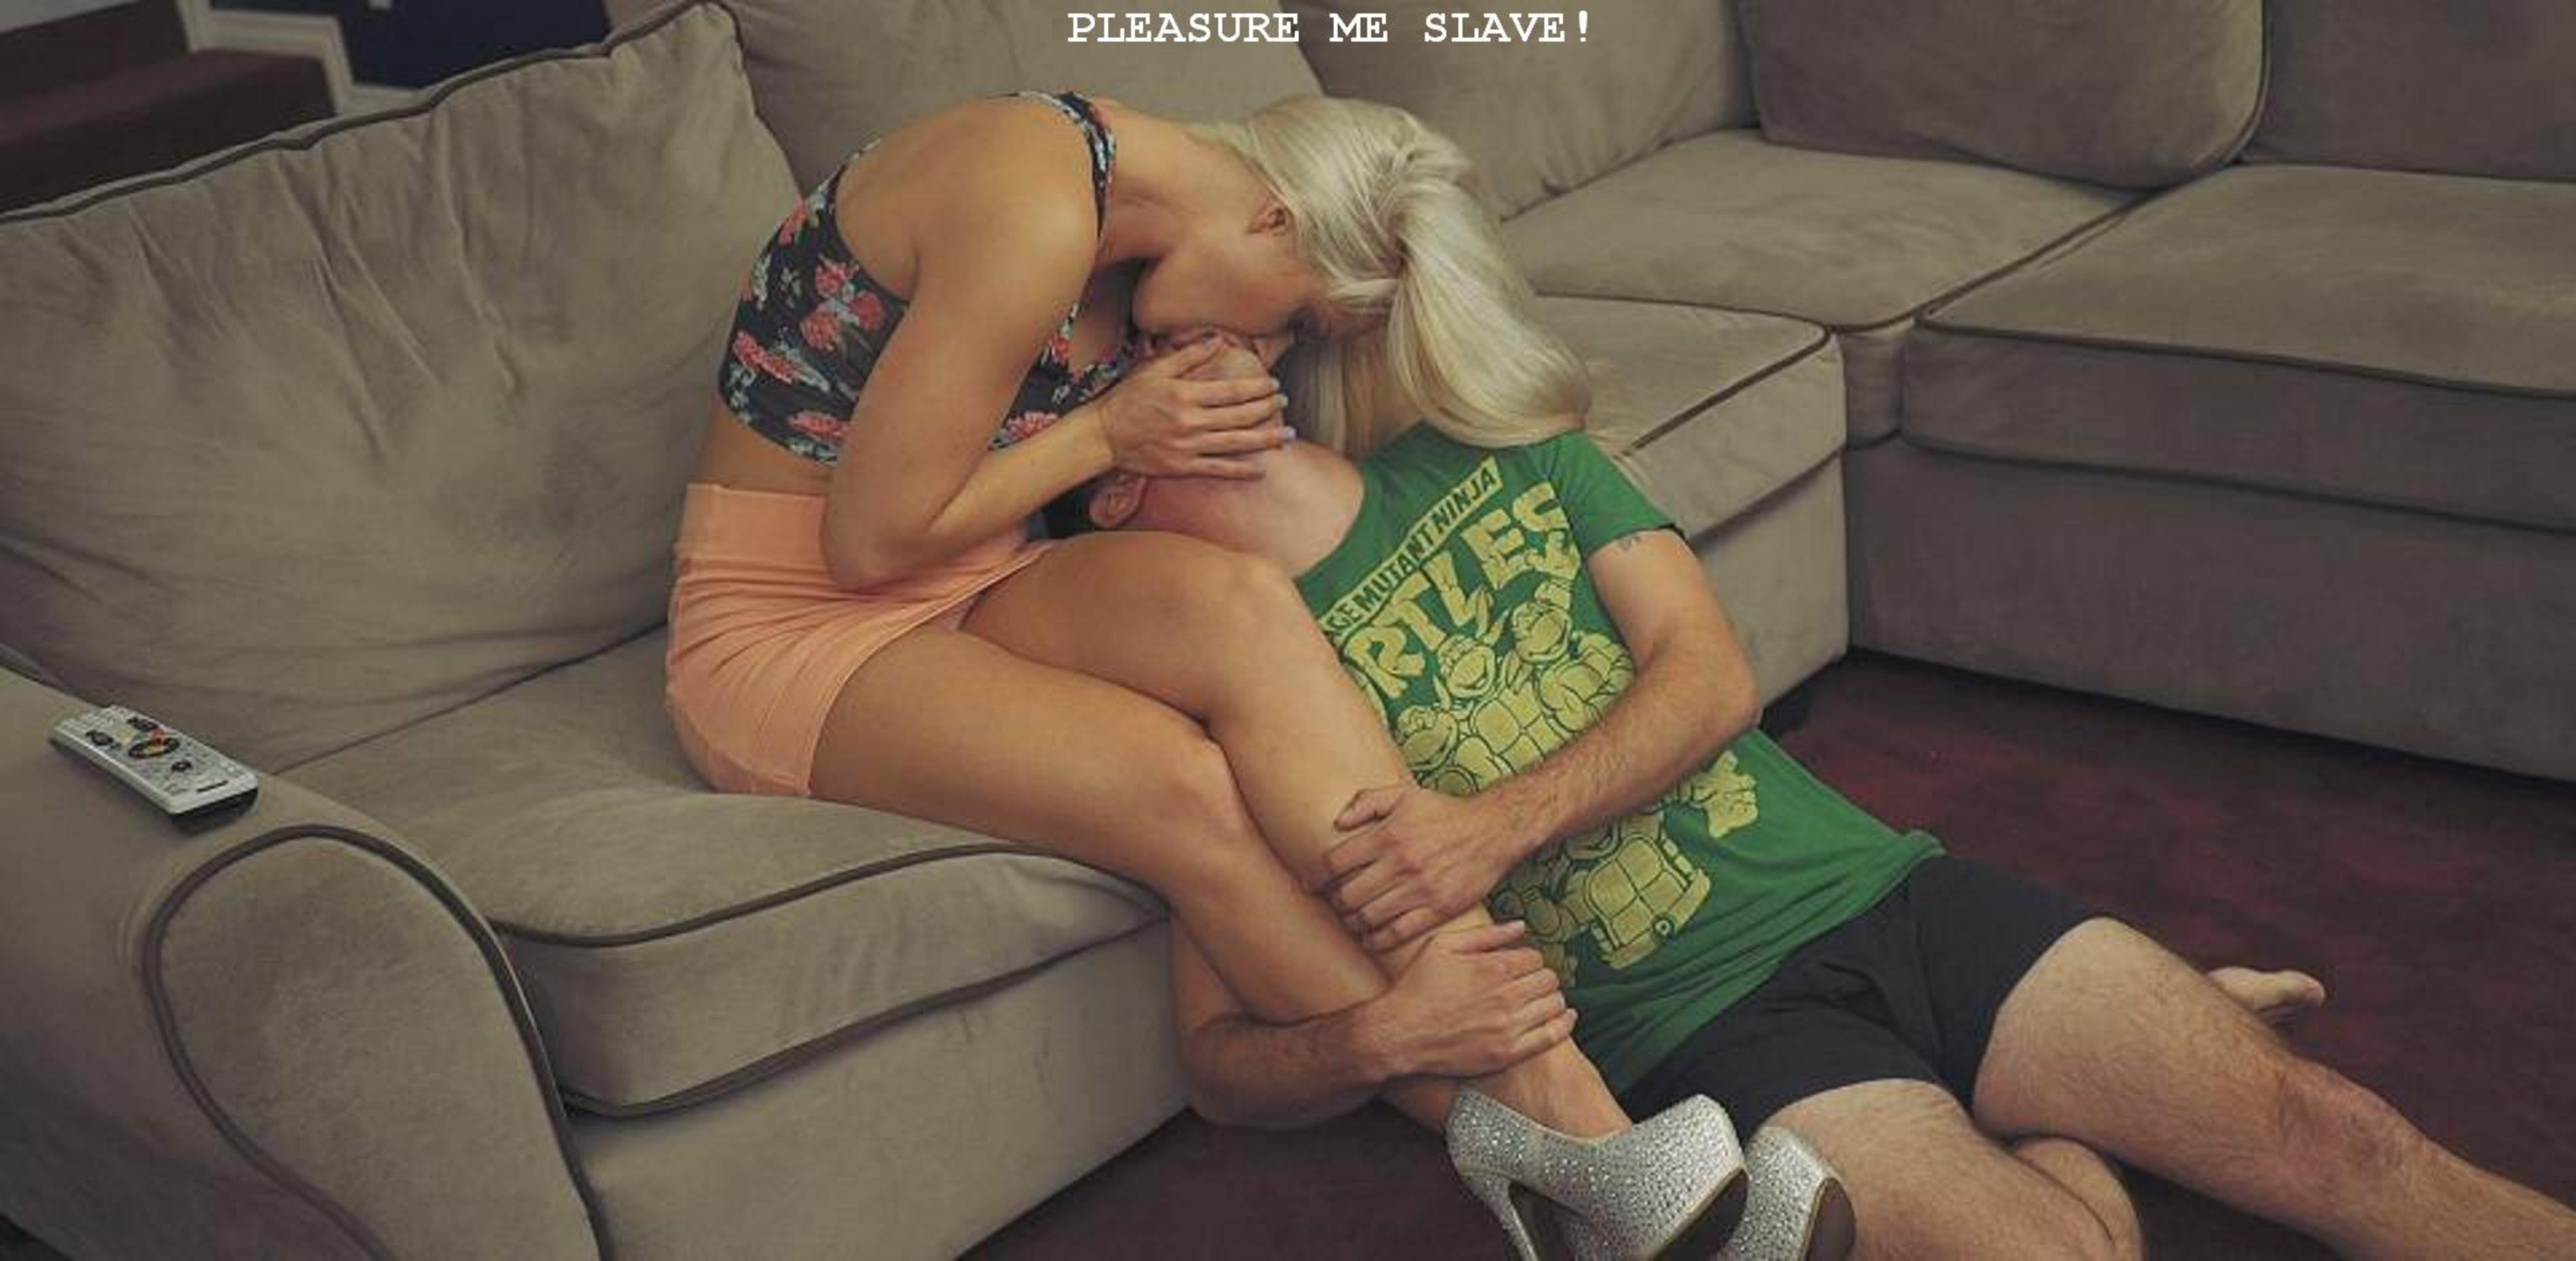

And now he's a GOOD  
slave, as MEEK  
as a MOUSE

always doing what  
SHE wants in HER  
fucking HOUSE!

PLEASURE ME SLAVE!

**YES  
MISTRESS!**

You may stop now  
slave,  
I can't cum  
anymore!

Yes  
Mistress!
