

Many times I thought she'd give  
permission and was so SURE that  
she would

and I OBEYED her knowing finally  
cumming would feel so GOOD

"Maybe she'll give me permission!"  
I'd tell myself every day

while I tried to serve her and  
please her in EVERY way

Once upon a time after a weeks  
worth of my cumming had been  
denied me,  
my Wife Mistress said  
"Go stand in front of her and  
look into the eyes of my  
Girlfriend Sherry,

and imagine making  
yourself cum for HER,  
and how GOOD  
that would be!"

And I had no choice  
BUT to OBEY her and  
meekly tell her

**"Yes Mistress Marie!"**

God, it is  
totally  
amazing the  
way you OBEY  
her!  
So go ahead  
and LOOK at  
me SLAVE!

You  
definitely  
ARE imagining  
jerking  
yourself off  
and cumming  
for me!

So DO  
it SLAVE!  
Stand RIGHT  
there and  
jerk off  
for me!

Wait a  
minute  
slave, your  
Mistress is  
trying to  
tell me  
something!

WHAT DID YOU  
SAY MARIE?

She said  
to remind you  
not to cum  
unless SHE  
gives you  
permission  
to!

Now jerk  
yourself off  
and LOOK at  
me while  
you're doing  
it!

And it wasn't a happy ending,  
at least not for ME,  
who REALLY enjoyed it was my  
Wife Mistress and her  
Girlfriend Sherry,

as a slave jerking off and  
DENIED, cries pleads and BEGS,  
with his mouth and  
tongue buried deep between  
BOTH Womens legs!

NO, last night wasn't  
pretty, but it was WORTH  
it all right!  
She PROMISED she'll  
let me cum INSIDE  
her tonight!

What's so funny?  
She PROMISED!
