

Once upon a time there was a young
Woman named Trish

and her secretly submissive young
boyfriend

who had the good fortune to be
granted his MOST wanted wish

Right before we
got married my
then boyfriend
Dave, knelt
naked before
me and told
me he was a
submissive
man and for
YEARS had
secretly
wanted
to be
my
SLAVE!

And I sat here
DUMBFOUNDED
as I stared at
him kneeling
NAKED that
way,

and after
thinking for
awhile, all
I could say,
was "I've
learned EVERY
THING about
you as
DAVE
that I
CAN,

but I know
NOTHING about
YOU as a
submissive
man!"

Then he gave
up what was
LEFT of what
was once
male
pride,
and
very

"VERY Meekly Replied"

I think the most
important thing
you should know
about a submission
man such as me's,
that he WANTS
a Woman who'll
make him her
SLAVE and KEEP
him naked down
on his knees

vigorously
kissing her feet
while he very
meekly BEGS her
and BEGS, for
the PRIVILEGE of
kissing licking
and worshipping
what's between
her beautiful
legs!

And he'll WANT to
pleasure her that
way EVERY day, and
OBEY her and SERVE
her in EVERY way,
and to please
her by NEVER
cumming unless
SHE says that
he MAY!

And though you may
think it's SICK,
or extremely
BIZARRE,

but this is the
way submissive
men like ME
are!

So after
thinking ABOUT
what he'd just
said I thought
WOW! and THEN
sternly said,
"Crawl your
ass to my
bedroom and
wait for me
on your KNEES
next to my
bed!"

And when I got
in there I
sternly told
him, "From now
on YOU are my
SLAVE, and I'M
your MISTRESS!
Now get BUSY
slave and
CONSUMMATE
this!"
And he
EAGERLY
replied

OH GOD YES
MISTRESS
TRISH!

And that was
the beginning
of our BLISSFUL
life as a
submissive
slave/husband
and his
VERY happy
OWNER/Wife!
