

This is a story I'm sure you'll agree

at it's end made both Mistress and
slave VERY happy

because although she did not allow ALL
his cumming to be done

he learned a long time ago a ruined
orgasm is DEFINITELY alot better than
NONE!

Once upon a time I
felt sorry for my
three month denied
pup

so I sat myself down
and I told HIM

"To Stand Up!"

**You will
cum
for
me**

Best of [unclear]

NOW!

YES
MISTRESS!

I Liked It (9/11)

Now **CLEAN** it up!

A close-up, low-angle shot of a dog's face, showing its eyes and nose. The dog is looking down, and its nose is visible in the foreground. The background is a wooden floor. The text "YES MISTRESS!" is overlaid on the image in a white, serif font.

YES
MISTRESS!

And the story ended VERY
happily cause when
he finished using
his tongue to lick
up his mess,
he used it to
THANK me
while I moaned

oh my God
YES!

YES!

YES!

YES!

YES!
