

Once upon a time long ago in my
life being submissive was causing
me strife

so I admitted who I was to my VERY
busy and dominant executive Wife

who was a VERY busy Woman who made
sure HER needs came first

before she would finally allow the
slaking of MY sexual thirst

but it was a
MONTH since I'd
had, the cumming
she limits

so she told
her assistant

GO MILK MY
SLAVE/HUSBAND
AND TELL HIM
HE BETTER HOLD
HIS CUM FOR
TWO MINUTES !

"Then Alice Came In!"

Did you hear what
she said about
holding your cum
for two minutes?

Yes Mistress
Alice!

GOOD! Now do me a
favor this time!
Don't cum all over
my hands before the
two minutes is up!
PLEASE?

I don't want to have to
come back in here after I
wash my hands and whip
the SHIT out of you like
she made me do the LAST
time!

OK?

Yes
Mistress
Alice!

INVERSION TABLE

THANK you!
Now I'm gonna go
set the timer for
TWO minutes

and get
STARTED!

Hold on
a second
Sharon!

USE THE BIG BLACK
BELT ON HIM THIS
TIME ALICE,
AND GIVE HIM
FIFTY HARD ONES!

Where
were we
Sharon?

We were
talking
about the
merger!

DAMN it!
Hang on
AGAIN
Sharon!

CLOSE THE DAMNED
DOOR ALICE!
I CAN'T HEAR THE
PHONE WITH HIM
SCREAMING
LIKE THAT!

And I was
punished SEVERELY
for cumming all
over Alices hand

in alot less
than a MINUTE
but GOD it
felt GRAND!

And I LOVE her
for allowing me
those precious
minutes
of bliss

by telling
her assistant
to come

in here
and do
THIS!
