

I think that I shall never see  
another damn Femdom story  
like THIS one, Oh God Yesiree,  
that I pray my Mistress NEVER reads!

Why don't  
you come  
over and  
visit me?

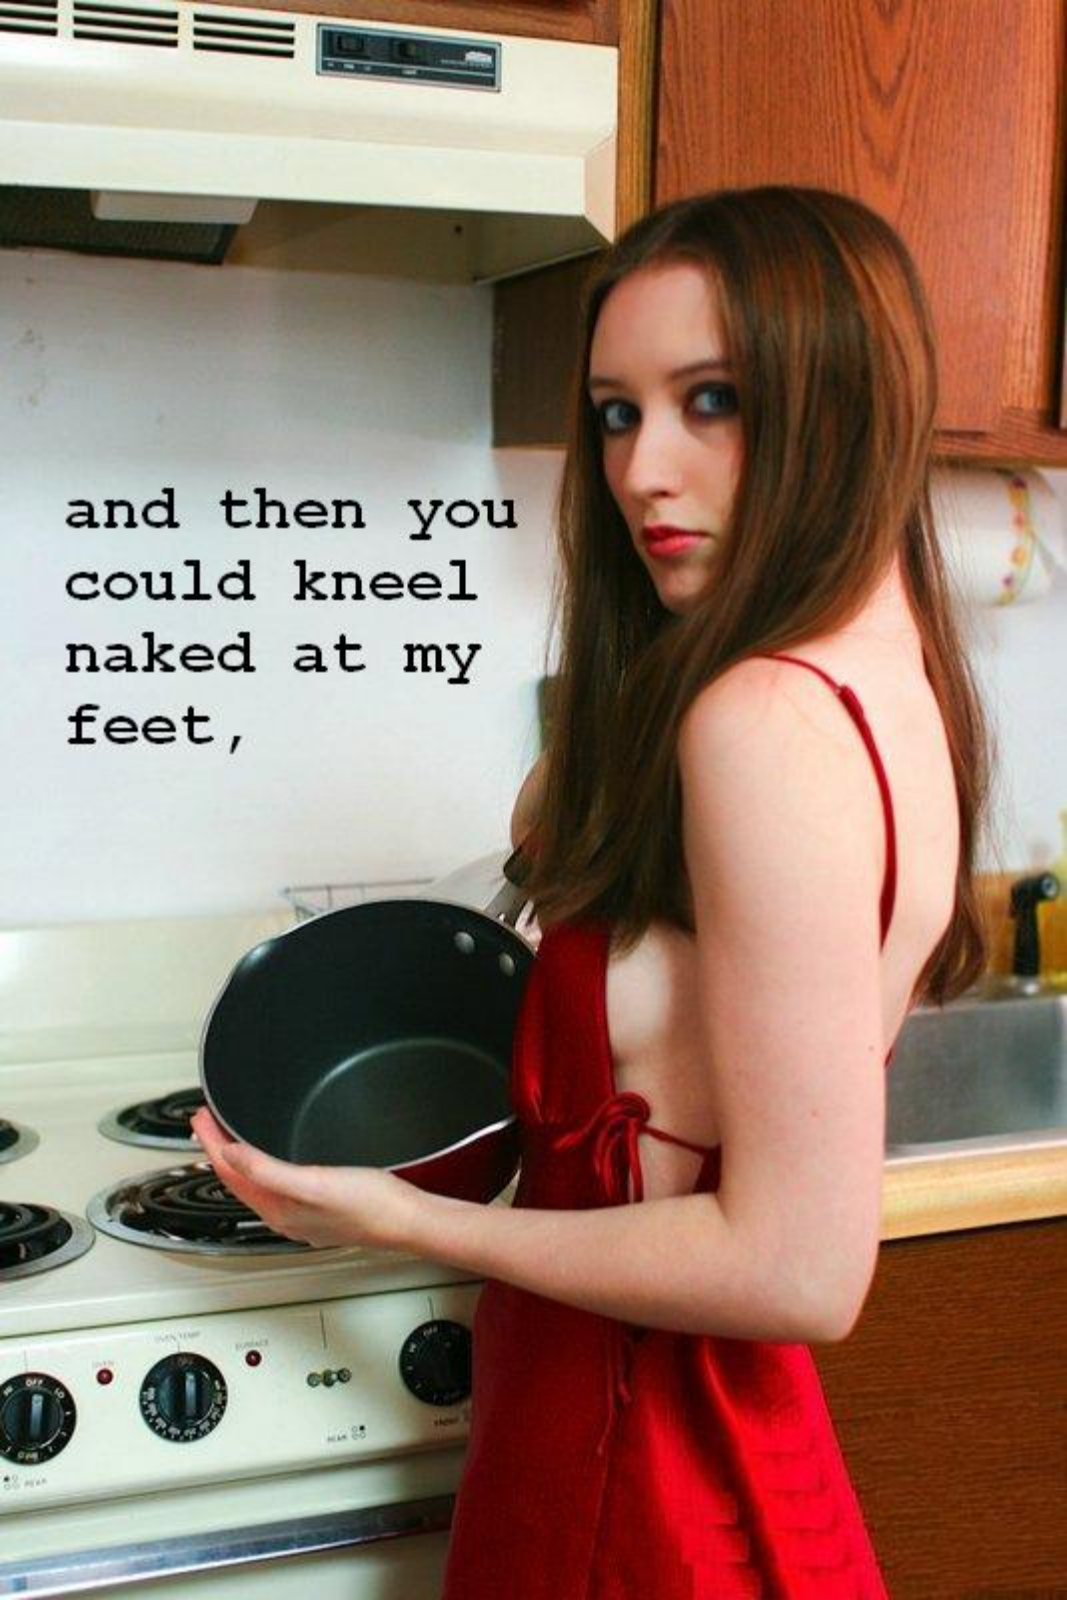

A young woman with long brown hair and blue eyes, wearing a red spaghetti-strap dress, stands in a kitchen. She is holding a black frying pan with both hands. She is looking back over her shoulder towards the camera. The kitchen features a white electric stove with four burners and a control panel with several knobs. Above the stove is a white range hood with a digital display. The background shows wooden kitchen cabinets and a sink area.

You could  
tie your  
balls in  
a pretty  
bow for me,

offer them  
to me as  
a gift,

and then you  
could kneel  
naked at my  
feet,

and we could  
spend the  
evening  
reading  
stories like  
THIS one  
together!

She is sitting in a kitchen, with her right hand resting on her head and her legs crossed. The background shows a white wall and a doorway. The text 'Then YOU can COME for dinner' is overlaid on the right side of the image in a black, typewriter-style font.

Then  
YOU  
can  
COME  
for  
dinner

and  
I'LL  
just
