

She knows the sting of her belt's
gone by the end of the day

so she disciplines HER man in a
DIFFERENT way

You didn't obey me properly EVERY day this week, so you will have to wait until next week to cum,

and THAT'S only
IF you obey me
properly EVERY
day this coming
week!

Yes Mistress!
I deserve that
punishment
Mistress!

And to make sure you
SUFFER for your
disobedience this coming
week, you will go stand
in front of my Mom for
ONE very LONG minute
and you will not
even
THINK

"About Cumming!"

And by the
end of that
minute in
her Moms
very
talented
hand

he wanted
to cum SO damned
BADLY and
THAT'S what
his Mistress
WANTED to
happen to
her very
disobedient
man

who has to
wait a WEEK
for the
orgasm he
wants so
badly
TODAY,

a DISOBEDIENT
man who
DESERVES
to be
punished
THIS way!

Because the pain
from her belt
on your ass
only hurts
for a very
SHORT spell,
but her
doing THIS
really
WILL
put
you
thru
HELL

cause the
pain of being
denied the
orgasm you so
DESPERATELY
seek,
hurts you
like HELL
for a
whole
fucking
WEEK!

DOESN'T it?
