

"YES, it WILL be hard!"

I heard her say

"But it'll make your ass  
OBEY!"

YES  
Honey,

I can  
SEE that

**"It's HARD!"**

And it STAYS  
hard ALL week  
while you serve  
me and OBEY

my EVERY whim  
and desire  
twenty four  
hours a day!

And it gets  
even HARDER  
when I use my  
belt on your  
ass

when I have to  
discipline you,  
huh slave?

Yes  
Mistress  
Cass!

And it **BEGAN** to  
get hard when  
you were just  
a **CHILD**

and your  
fantasys of  
being a Womans  
SLAVE

made your  
developing  
male hormones  
go REALLY  
wild!

And NOW as you  
kneel there  
with an  
erection as  
hard as  
a ROCK

BECAUSE I  
totally own  
YOU,  
your BALLS and  
your  
COCK,

AND I discipline  
you for  
disobeying me  
or giving me  
ANY sass,

you're happy  
as hell  
AREN'T you  
slave?

Yes  
Mistress  
Cass!

Well, since  
you've been  
VERY obedient  
for me this  
WHOLE week  
I guess

you nay jerk  
yourself off  
and COME and  
then lick up  
your MESS!

YES MISTRESS  
CASS!  
THANK YOU  
MISTRESS CASS!

You're  
welcome  
slave!

Now DO it!  
And don't take  
all night,  
I want my hair  
brushed and  
my nails  
done!

YES MISTRESS CASS!

And it'll be  
hard AGAIN  
before my hair  
brushing's  
through

and STAY hard  
all NEXT week  
except for a  
ANOTHER few  
minutes

IF I allow  
him to come  
NEXT week  
TOO!

WON'T it?
