

This story is true  
so I do not kid  
that the last words  
in this story are  
"And she DID!"

Did you  
LIKE what  
I did last  
night,  
slave?

"Yes  
Mistress  
Theresa!"

"I loved  
that  
wonderful  
feeling

between  
orgasm  
and dread

last night  
when you  
clipped me  
down to  
your bed

and did THIS  
while I cried  
like a baby  
and begged

you to NOT  
use the  
belt you  
put

between my  
wide open  
legs!"

**"Do NOT Come!"**

Or I'll  
PUNISH  
you!

The end  
of the  
session left  
me wanting  
to come BADLY  
it's true,

but also  
WANTING to  
be obedient  
THAT way  
for you!

Please train  
me to BE  
obedient  
that way  
Mistress  
Theresa?"

"PLEASE?"

OOOOOOOH,  
I WILL,  
slave!

I will!
