

I'll tell you a story which may
give you a fright

that might not have been TOO
bad if this was NOT Friday night!

My Mistress said STERNLY
"DON'T YOU DARE CUM UNLESS
I SAY THAT YOU MAY!"

because she wants me to learn
to OBEY her in that most
SPECIAL way,

but she hadn't let me cum for
MANY MANY a day so it didn't
take long before she heard
her disobedient slave say

"I'M SORRY MISTRESS
I'M CUMMING!"

as I disobeyed her in which
to HER was the ULTIMATE way!

And as I laid shaking and
dreading one of a mans
deepest fears

I watched my Mistress
do THIS really HARD

"Through My Tears!"

And when she was finished she made SURE that my punishment didn't come to such an EASY, and PREMATURE end,

so she left me like THIS
before she left to spend the
weekend in Las Vegas with her
sister Ann and her friend!
