

Want to know what I KNOW Girls?

Well, what **I** percieve

is him being SO fucking GOOD

like you would not BELIEVE!

A woman with blonde hair tied back, wearing a white short-sleeved top, a bright green knee-length skirt, and tan high-heeled shoes, is walking down a carpeted staircase. She is holding a thin, curved cane in her left hand. The text "He becomes MINE and he BEGS," is overlaid on the back of her white top.

He becomes
MINE and he
BEGS,

and my GOD,
does he COWER,

under the very
stern thumb
of my Female
power,

A woman with blonde hair in a bun, wearing a pearl necklace, a white short-sleeved top, a bright green knee-length skirt, and tan high-heeled shoes, is walking down a carpeted staircase. She is holding a thin, curved cane in her left hand and has her right hand on her hip. The scene is indoors, with a doorway visible in the background.

after I've
said "DO NOT
COME!"
sternly,

to my slave
who WILL
cower,

after I leave
him down here,
like THIS

"For An Hour!"

The end
of that LONG
hour for him,
has FINALLY
come about,

so I'll go
down and shut
it off and
let his
throbbing
cock
out!

And after
I've put
it QUICKLY
away,

inside one
of THESE,

what he's
gonna do
NEXT is
make SURE,

that I'm
THOROUGHLY
pleased!

Ooooooh YES, Girls!

THOROUGHLY!
