

Don't give her flowers
or poems of love,
she'll tell you where
that should be shoved,
because the gift she REALLY
wants
is hanging right behind your
schwantz!

"LOVE My Gift!"

Oh my God
slave,

I think I
came at least
ten times!

You pleased
me VERY well!

"Thank you,
Mistress!"

Slave,

you tieing
your balls
in that pink
ribbon

and GIVING
them to me
as a GIFT

made me VERY
VERY horny!

THANK you
for taking
care of my
horniness

and THANK
you for
my GIFT!

I LOVE it!

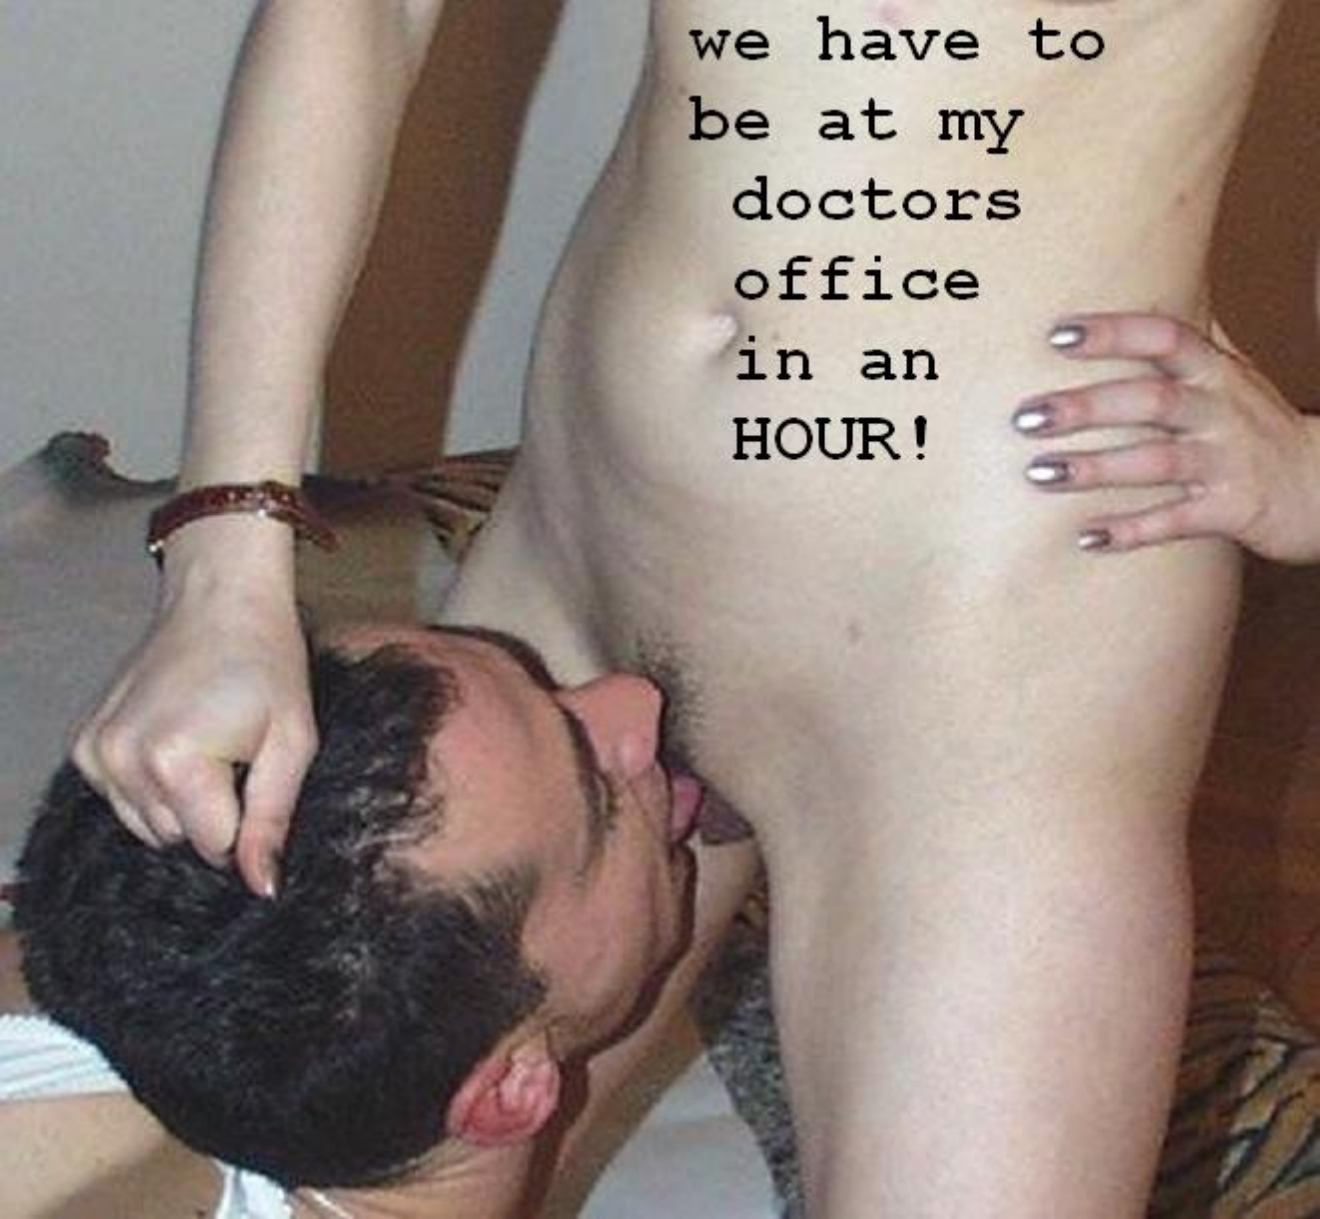

"You're
welcome,
Mistress!"

Now get me my
clothes so
I can get
dressed,

we have to
be at my
doctors
office
in an
HOUR!

"Yes
Mistress!"

Thank you
for
helping
me get
dressed
slave,

just
watching
you do
it,

with my
gift all
swollen
and
purple
in that
ribbon,

made me
all wet
AGAIN!

"May I please
you with my
tongue again,
Mistress?"

No slave,
I'll save
THIS
orgasm
for LATER

as you
lick me
while my
doctor
is
TAKING
my
gift,

and
HANDING
it to
me!

You DID
get some
thing for
her to
PUT my
gift in,
didn't
you?

"Yes
Mistress!"

Well, I
want to
SEE it
slave,
go GET
it!

"Yes
Mistress!"

"Will THIS be
allright, Mistress?"

Oh God
YES,
slave!

You have
no idea
how
horny
I'm
getting
slave,

just
THINKING
about how
nice my
gift is
going to
look in
it!

Take THAT
and my
purse and
wait for
me in the
car,

before I
put your
mouth
between
my legs
for
ANOTHER
hour and
we miss
our
appointment!

"Yes
Mistress!"

God!
I LOVE
my gift!

Ooooooh YES!
REALLY
giving her
THAT gift IS
a very HARD
thing to do,

but let's
face it
guys,

they
ALREADY
belong to
her!

DON'T
they?
