

I'm sure I'm not the only submissive
male in the nation

who has been with his Mistress and had
this conversation

You said these
are MINE

to do with

"As I PLEASE"

did you really
MEAN that?

Yes
Mistress
Louise!

So you WANT me
to take them
and keep you
as my SLAVE

for the REST
of your life
till you go to
your grave?

Yes Mistress!
I WANT them to
be YOUR property

and I want to be
OWNED by you TOTALLY!

And I WANT you to train
me to serve and obey

and if I DON'T,
to do

A woman dressed as a nurse, wearing a white long-sleeved top, a black skirt, and a white nurse's cap, is giving a massage to a man lying on his stomach on a bed. The man is wearing dark shorts. The woman is smiling and has her right hand on the man's back. The room has a wooden dresser with several drawers on the left, a lamp on a nightstand, and patterned curtains in the background. The text "THIS at the end of each day!" is overlaid on the right side of the image.

THIS
at
the
end
of each
day!
