

What if once a week

she took you out

and the words "AMUSE me!"

came out of her mouth

The
next time
you think
that your
Mistress
is MEAN,

and you
want to
call her
a name
that's
OBSCENE,

take
a few
minutes
and ask
yourself
HONESTLY,

When
was the
last time
I was
told

slave,

" AMUSE Me!"

Well?

A woman with long brown hair, wearing a black bra and a red skirt, is sitting on a purple couch. She is looking up and to the left with a questioning expression. To her left, a nude man is standing, showing his penis. The background is a plain, light-colored wall.

What are you
WAITING for,
slave?

AMUSE me!

YES
MISTRESS!

A woman with long brown hair, wearing a black bra and a red skirt, is sitting on a purple couch. She is looking up and to the left with a slightly open mouth, appearing to be in conversation. To her left, a man's legs and hands are visible; he is holding his penis in his right hand, pointing it towards the woman. The background is a plain, light-colored wall.

When was the
last time you
were allowed
to ejaculate,
slave?

Three months
ago, Mistress!

GOOD!

Then watching you
trying to hold
your come for me
is going to be
VERY amusing!

The
HEIGHT
of her
pleasure
came
three
hours
later,

with him
CRYING
' and
BEGGING
while
trying to
persuade
her,

to finally
GRANT the
release

he SO
badly
NEEDS,

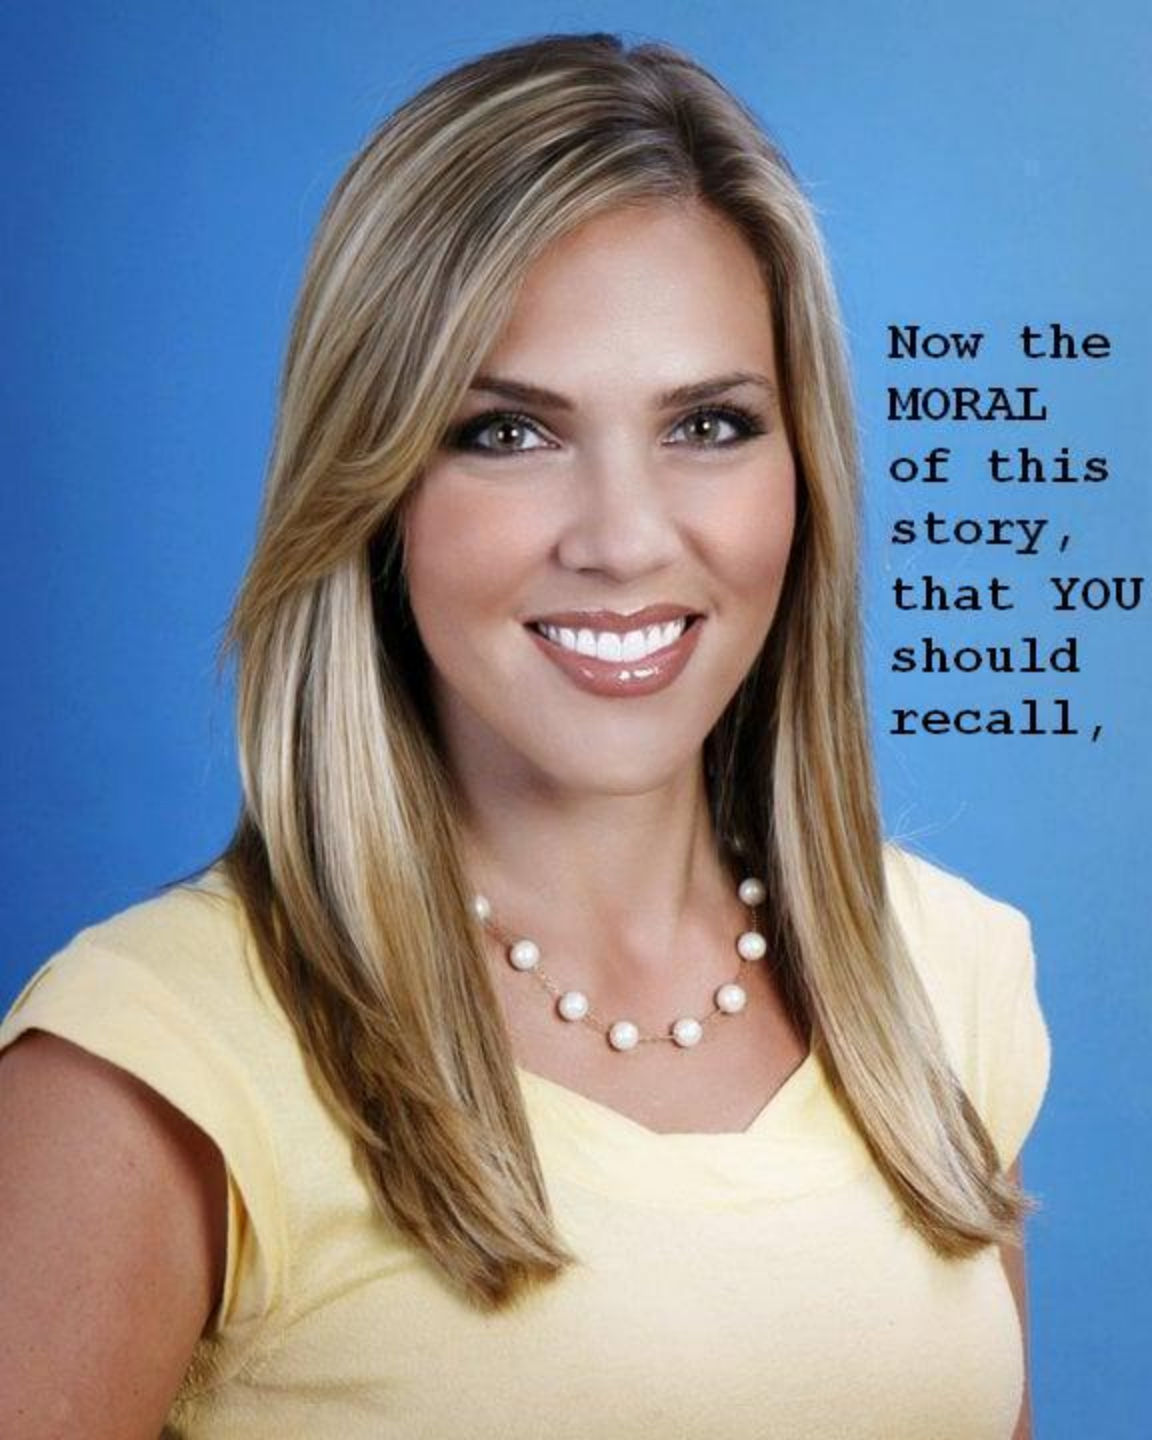

as she
locked
him
BACK up
inside
one of

THESE !

NOOOOOOOOOOOO!

Now the
MORAL
of this
story,
that YOU
should
recall,

is that
maybe
YOUR
Mistress
aint
so mean
AFTER
all!

Huh?
