

No, you won't BELIEVE

the things you will do

after your Mistress

locks a cock cage on you

just like the slave
in this story did
TOO!

Oh YES,
he WILL do it
slave,

he'll say
"YES MISTRESS!"
and obey,

because he'd like
to get OUT of his
cock cage

"SOMEday!"

How long
has it
been

since I
locked you
in your
cock cage

and put
the KEY,

in a
VERY safe
place?

"EIGHTEEN DAYS
AND FOURTEEN
HOURS, MISTRESS!"

WOW!

And do you LIKE
being locked in
your cock cage

and not being
able to make
yourself come

for
eighteen
days

and soon to
be FIFTEEN
hours,
slave?

"NO,
MISTRESS!"

Too bad
slave,

I do!

Now
LICK!

"YES
MISTRESS!"

The End

Now you'll DO
what I TOLD you,

and do it
PASSIONATELY,

or I'll make
sure I FORGET

where I put your
damned KEY!

"YES
MISTRESS!"
