

"Like Mother like Daughter"

I've heard people say

This may shed some light on

what MAKES her that way

A woman with reddish-brown hair pulled back, wearing a teal, long-sleeved, button-up dress, is seated at a dark, round table. She is resting her chin on her left hand and looking off to the right with a thoughtful expression. The background features a wood-paneled wall, a framed picture, and a green plant on a wooden cabinet. The lighting is warm and focused on the woman.

This  
story's  
about  
the  
time my  
Daughter  
June

wanted  
a big  
screen
