

You plead and beg her every day

and pray she'll put that whip  
away

but if she should

to your DISMAY

she'll discipline ANOTHER way!

Not EVERY  
woman is  
so quick

to discipline  
you with  
her WHIP

but they'll  
still make  
sure that  
you obey

they'll  
just  
do it

**"ANOTHER Way"**

like making  
you stay like  
THIS all day!

A woman with blonde hair, wearing a white button-down shirt and a black skirt, is seated on a high-backed, ornate wooden chair with red upholstery. She is holding a pair of glasses and looking down at them. In the foreground, the bare torso of a man is visible, wearing a dark, patterned loincloth. The background is a workshop with stone walls, a wooden workbench, and various tools hanging on the wall.

Do they  
hurt?

"YES  
MISTRESS!"

GOOD !

"PLEASE UNTIE  
THEM, MISTRESS?"

PLEASE?"

NO!

And GOD  
you'll learn  
and you'll  
learn QUICK

after just  
a couple  
of HOURS  
of this!

WON'T  
you?

I think I  
heard a  
few "YES  
MISTRESS!"s  
out there,  
Sharon!

DIDN'T  
I  
guys?
