

Once upon a time Elaines slave just
kept getting busted

for jerking off without permission
and could no longer be trusted!

So she did what she HAD to
IMMEDIATELY and then

she didn't have THAT problem EVER
again!

Mistress
Elaine?

WHAT,
Honey?

Mistress Elaine,
PLEASE PLEASE
allow me the
release I so
desperately seek?

You haven't
allowed me to
cum for over
a WEEK!

Honey, let me tell you a
QUICK and very SHORT tale
of how complaints like yours
were handled by my best
Girlfriend Gayle!

And I'm sure that after
you've heard it
you'll SURELY agree that
it's true

that I'm ACTUALLY being
QUITE kind to you,
cause there's a thing
ALOT worse

than THIS about which
you CRY and COMPLAIN!
Now shut up and LISTEN!

"Yes Mistress Elaine!"

I've heard you
complain and
I've watched
you shed MANY
a tear

because I
haven't let you
cum for well
over a YEAR,

and I feel BAD
to have you
SUFFERING that
way for me

so I'm going
to be kind
and show you
mercy!

And she called up her doctor
who said "Bring him RIGHT in!"

And his
suffering
was ENDED

by ME,
doctor
Quinn!

SNIP!

And now he REALLY
has something about
which to COMPLAIN!
DOESN'T he Honey?

**YES MISTRESS
ELAINE!**

Ooooooh
YES!
