

"There's NO feeling like it"

he declared quite devout

because he knew what their
relationship

was REALLY about!

She put me in
her "HUMBLER",
face down
on her bed

and left me
to WONDER,
and left me
to DREAD,

what she's
gonna DO
to me at
the end

of the evening
when she comes
home

"After Visiting Her Friends!"

There's no
feeling at
ALL like
lieing here
in FEAR,

that when my
Mistress comes
home
and comes back
in here,

that she'll
say to me,

Start
COUNTING,
my Dear!

No,
there's NO
feeling like
laying here

and having
ABSOLUTELY
no choice

but to tremble
in fear
and sob

"YES
MISTRESS
JOYCE!"

You're getting
ten HARD ones!

"ONE MISTRESS!"

"OH MY GOD!
IT HURTS
MISTRESS!"

And at the end
of his whipping
when I tell him,
"I'm THROUGH!",

he'll
TEARFULLY
whimper,

"MISTRESS
JOYCE,"
"I LOVE YOU!"

And as I
watch him
SOBBING
after the
whipping
I gave,

I MEAN it
when I
tell him
I love
you TOO,
slave!
