

For those of you who just can't bear
the thought of kissing her down there
she has her ways as you will see
to make you WANT to do it, Yes siree

Some men
won't want
to DO it,

they'll
say it's
not MANLY,

so what my
Girlfriend did
with her slave
husband Stanley

was forbid
him ANY
release for
over a year

before
saying

If you want
to come THIS
year

"You WILL"

do it
my Dear!

Then
HE said

**YES
MISTRESS!**

and
THAT was
the END
of his
refusing
to DO it,

aint THAT
right, my
friend?

**YES
MISTRESS!**

YES MISTRESS!
I'LL DO IT!
