

He didn't argue at all or put up a fight he just did like she wanted him to EVERY night

He whimpered "Yes Mistress!" and laid naked face up the way that she said

and she fastened his wrists and his ankles to each corner of the bed

And when she  
was finished  
with THAT  
little task,

she looked  
at her  
handiwork  
with  
SATISFACTION

**"And Just HAD To Ask"**

Are you  
COMFY  
Honey?

Yes Mistress!

GOOD!

I'm gonna go take  
a LONG hot shower,  
and when I'm done,  
you know what I'm  
gonna DO?

No Mistress!

I'm going to get on top  
of you, shove my clean  
wet pussy in your face,  
and make you lick me  
to ORGASM after mind  
shattering ORGASM

while I'm jerking off  
your throbbing cock  
and denying YOU the  
orgasms you will be  
BEGGING and LEADING  
with me to allow you  
to have!

Will you  
LIKE that  
Honey?

No Mistress!

GOOD!

Now THINK about what  
that's gonna be LIKE for you  
while I'm taking my LONG hot  
shower!

Yes Mistress!

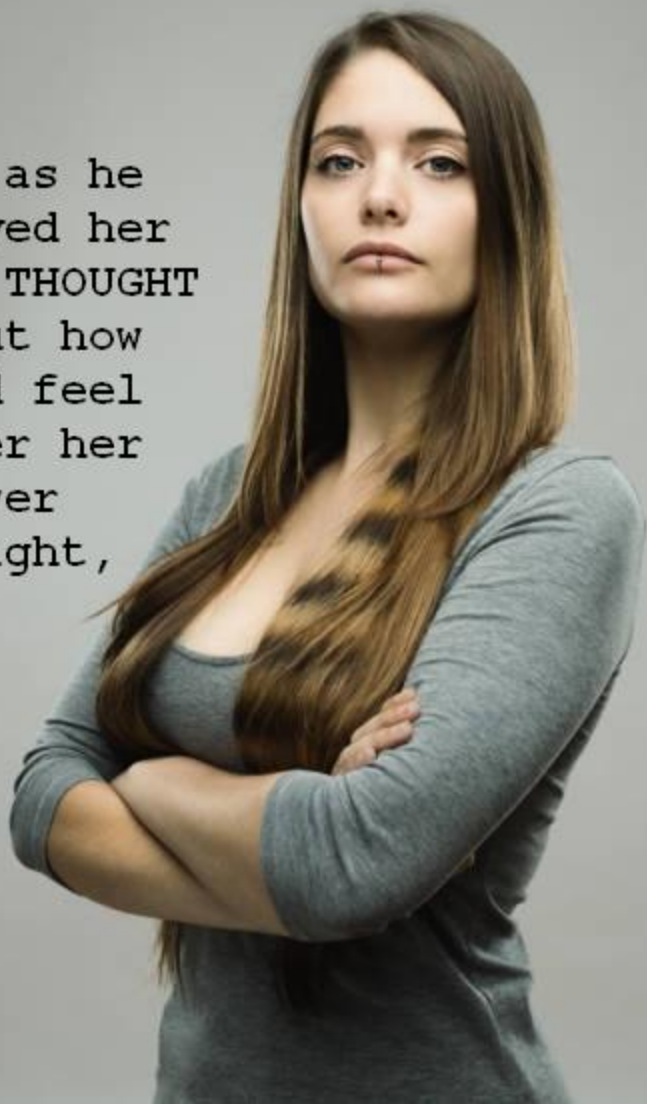

And as he  
obeyed her  
and THOUGHT  
about how  
he'd feel  
after her  
shower  
tonight,

he PRAYED  
and he PRAYED  
with ALL of  
his might

because she  
hadn't let  
him cum for  
a LONG time,  
it'll be  
two weeks  
tonight!

DIDN'T  
he?
