

Would you like it if SHE

did something like this?

the Woman you'd LOVE

to be calling Mistress?

I could be wrong but

it would be my best guess

that since you're reading THESE
kind of storys

your answer is yes

I'm here at
the park with
my submissive
little mouse

who's explaining
what his sex life
is LIKE at

"MY House!"

Mistresses,

This is the
way I jerk
off for my
Mistress

her Mother
and her
OTHER
dominant
Sisters!

And I don't
COME while
I pleasure

myself with
my hand,

unless
one of
THEM

SAYS
that
I can!

OK slave,
that's the end
of your AMUSING
my friends Sharon
and Susan,

NOW go amuse
my friend Kathy
Van Huesen!

YES
MISTRESS!

Ooooooh
YES,
slave!

AMUSE me!
