

And Girls grow to be WOMEN
who were born to enjoy
men like us who were born
to BE their new toys

I was once a
little GIRL
whose Mother
gave her,
a little
BOY bear
that was
called

"Kissy Fur!"

And I LOVED
playing
with him
all NIGHT
and all DAY

because he
would ALWAYS
play

what I
wanted
to play!

But then I
got OLDER
and now
instead
of that
BEAR,

I have his
REPLACEMENT
standing
right
there!

And the end
of this story
leaves my NEW
submissive PET

staring with
LONGING at the
"Kissy Fur"
that he's not
gonna GET

any OF for
a LONG time!

DON'T it,
my pet?

**YES
MISTRESS!**
