

Here's an invitation from two women  
who are looking for a man  
you may RSVP to Mistress Dianne

This story's  
about ME and  
my Girlfriend  
Dianne,

and WHY  
women like  
US really DO

**"Need A Man!"**

We need a man  
who WANTS to be  
kept naked

and down  
on his  
KNEES,

with his  
BALLS tied  
so we can  
LEAD him

around our  
house by  
his LEASH!

We need  
a man who  
WANTS to

keep our  
kitchen nice  
and clean,

and LOVES  
all those  
times

when I  
treat  
his ass  
MEAN,

and he's  
TOLD to  
clean our  
bedroom,

and our  
BATHROOM  
too,

because  
he knows  
that's not

the end  
of the things  
WE'LL make  
him do!

IS it,  
Dianne?

No, it  
certainly  
ISN'T,

that's  
DEFINITELY  
true,

so get  
your ass  
OVER here,

we're  
WAITING  
for you!
