

I think that Mistress holds so dear  
knowing what's your greatest fear  
and that gives her the power to  
take absolute control of you

I know that  
one of THIS  
submissive  
males  
greatest  
fears

is that she  
won't let  
him come  
for ANOTHER

**"Two Years!"**

OPEN

Your  
fucking

**MOUTH!**

"PLEASE DON'T  
MISTRESS?"

**"I'M BEGGING YOU!  
PLEASE?"**

OPEN

Your  
fucking

**MOUTH!**

**NOW!**

**" YES MISTRESS ! "**

And you  
better  
swallow  
**EVERY**  
drop!

**"YES MISTRESS!"**

But the end  
of his  
HUMILIATION  
was NOWHERE  
in sight

because WE  
know where  
HE had to  
kiss HER  
all night!

DON'T we,  
Honey?

"YES MISTRESS!"

And YOUR  
greatest  
fear,  
after  
listening  
to you  
BEG

is that I'll  
swing that  
belt DOWN

between  
your wide  
open legs!

ISN'T it,  
Honey?

"YES MISTRESS!"

Good!

Honey?

You're NOT  
gonna LIKE  
this,

but  
what I  
WANT to  
do is
