

If you have lived the Femdom
life

you'll sit with Girlfiriend or
with wife

and say when you're both old and
gray

"Oh my God, those WERE the
days!"

You can tell if
people are IN a
Female dominated
relationship,

or have BEEN in a
Female dominated
relationship,

by the way
they react

"To This Story"

LOOK
at him!

Did you
notice
what's on
the bed
between
his legs?

LOOK
at him!

LOOK at my
SLAVE who
disobeyed
me AGAIN!

What do you think
is gonna happen
to him when I'm
finished getting
ready?

Hmmmmmm?

THINK
about it!

HE is!
AREN'T
you,
slave?

OH GOD YES
MISTRESS!

The people
who AREN'T
in,

or have never
BEEN in a
Female
dominated
relationship,

FANTASIZE
about what
MAY happen,

while the
ones who
ARE in or
who ever
HAVE been
in one,

REMEMBER
what
HAPPENED!

DON'T
we?
