

This is a story  
about my friend Elenore  
a woman who KNOWS  
what a mans balls are for

I let him  
jerk off  
and come

**"All Over My Shoe"**

after not  
coming for  
a MONTH

like I WANTED  
him to!

And when he  
was finished  
CLEANING  
his mess

he said "Thank You"  
the RIGHT way

A woman with dark hair and a necklace is seated in a wooden chair, leaning back with her eyes closed and mouth open. She is wearing black thigh-high boots. A person is kneeling on a patterned carpet in front of her, with their back to the camera. The person's buttocks are prominently displayed, and they are wearing a black strap around their waist. The scene is set in a room with light-colored walls and a window showing greenery outside.

like I  
WANTED,  
Ooooh  
YES!

That's  
the end  
of the  
story

about what  
happened  
THIS month

between a  
submissive  
male

and a  
castrating  
CUNT

who's  
afraid that  
if she lets

his two  
little  
balls  
OUT

he won't  
want to  
please her  
EVERY day

with his  
tongue and  
his mouth!

"But I WILL  
please you  
Mistress!"

"I PROMISE!  
I SWEAR!",

"Mistress,  
they HURT  
when you  
lock them  
in there!"

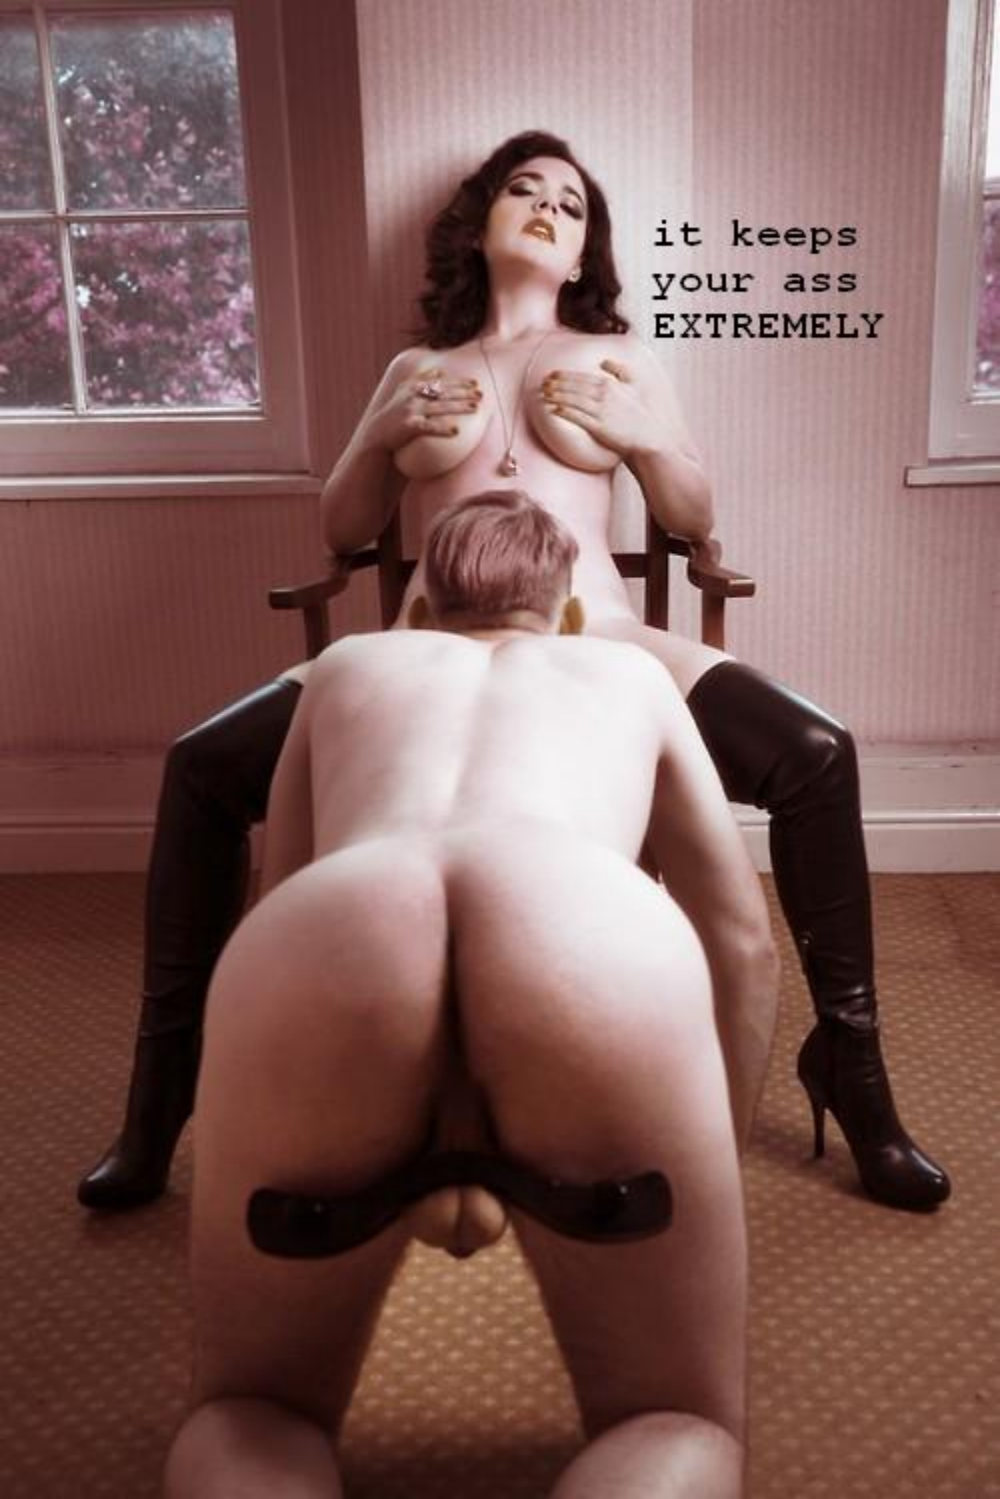

I KNOW  
that they  
hurt slave

but you  
HAVE to  
agree

it keeps  
your ass  
**EXTREMELY**

obedient  
to me!

DOESN'T it?

"Yes  
Mistress!"

Now PLEASE  
me slave

or I won't  
let you  
come all  
over my  
shoe NEXT  
month!

"Yes  
Mistress!"
