

"You've only been mine for a week
and it feels so good

having you serve and obey me the
way I feel that you should

but before I grow too complacent
with my newly found glory

you may take a break from dusting
my living room

and take a look at this
story!"

This story poses
a question,
one I feel is
quite fair,

do YOU feel
the same way,
when YOU'RE

"Kneeling There?"

When I'm kneeling
naked in front of
my Wife/Mistress Marie,

I always become more erect
than I've ever thought a
man could POSSIBLY be!

And when I look up and see her
looking down at me KNOWING
I'll do what EVER she'll say,

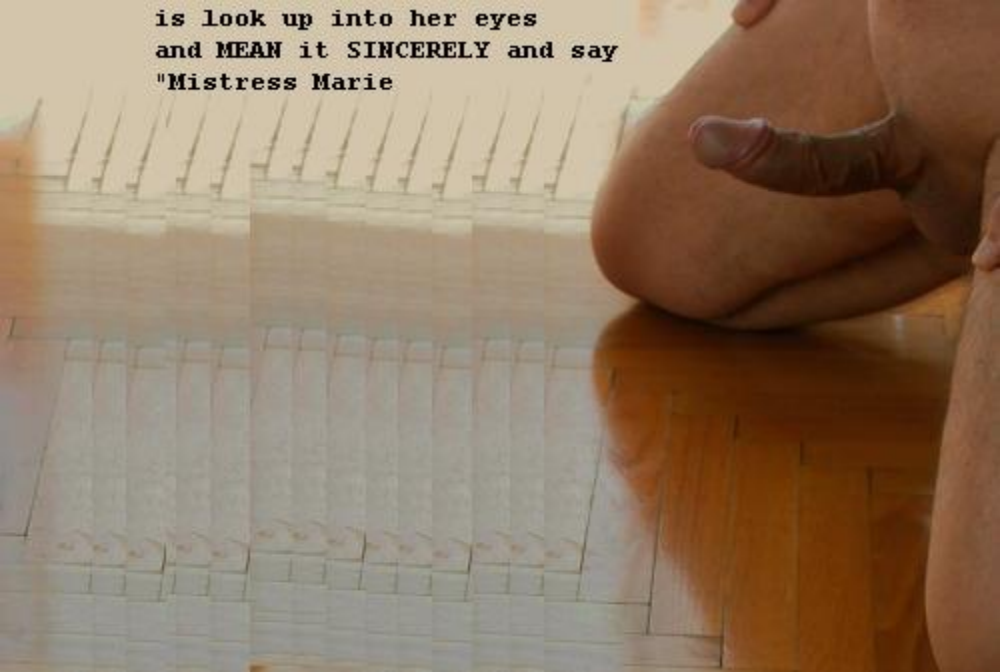

from deep in my SOUL I not
only WANT but NEED so badly
to DO

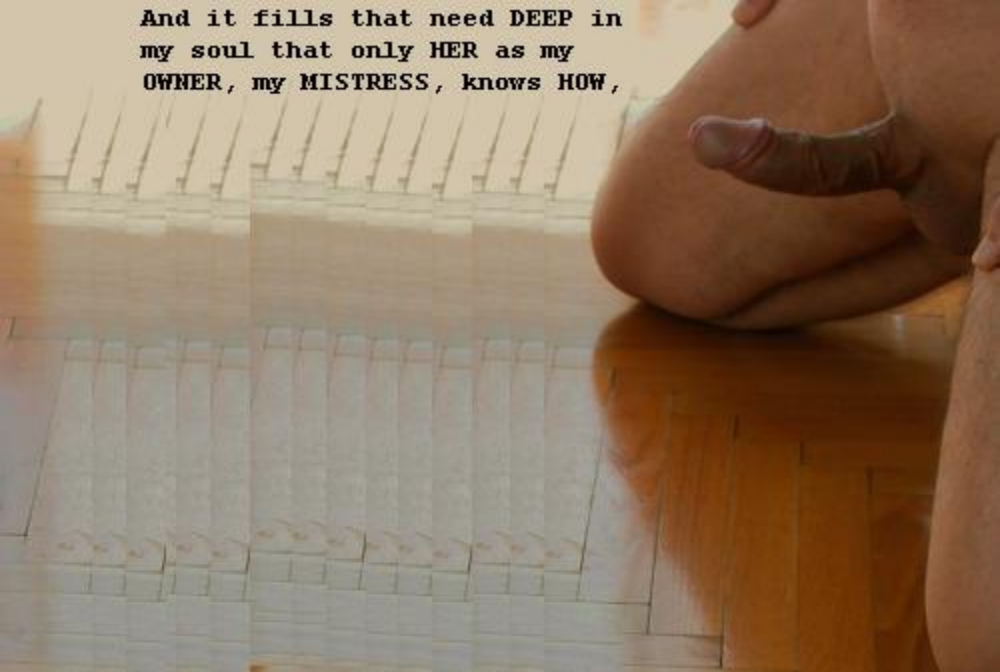

is look up into her eyes
and MEAN it SINCERELY and say
"Mistress Marie

OH GOD I
IOVE YOU!"

And it fills that need DEEP in
my soul that only HER as my
OWNER, my MISTRESS, knows HOW,

when she looks in the eyes
of her SLAVE and says

I love you
too slave!
You may kiss
my feet now!

**YES MISTRESS!
THANK YOU FOR
THE PRIVILEGE
MISTRESS!**

You're
welcome
slave!

The End

And he MEANS that
"I love you" from
the depths of
his SOUL and his
HEART

and he's TRULY
her slave and he's
not just PLAYING
the part!

So TELL me!
You may SPEAK!
I won't punish
you, I SWEAR!

Do YOU feel the
same way about
ME when YOU'RE
kneeling there?

"Oh God
YES Mistress!"

YES!

WOW!

I LOVE you
slave!

I love you TOO
Mistress!

You may go back
to dusting my
living room
now slave!

**YES
MISTRESS!**
