

No it DON'T take too much,
it really is TRUE

to get a male who's
submissive

to WANT to serve you

He'll say "Yes Mistress" and
mean it

and serve your every desire

and he'll do it because

that's the way that he's wired.

Alot of
people think
that a
dominant
woman

has to use
WHIPS and
chains and
violence

to make a
submissive
male do what
she wants
him to do!

But you
know WHAT?

She DOESN'T
have to do
that!

All she
has to do

is tell
him he has

"Work To Do"

Yes,
you MAY
come for me
tonight

but you
have **WORK**
to do
first!

A woman with long dark hair is shown from the back, wearing a floral bikini top, a white lace skirt, and sheer stockings. She is holding a white plastic bag and appears to be cleaning a white door in a room with red walls. A bed with a floral patterned coverlet is visible in the foreground.

A woman with long dark hair is sitting on a bed with a floral patterned sheet. She is wearing a floral bikini top and shorts. She is looking towards the camera with a slight smile. Her right hand is on her hip. A magazine is open on the bed in front of her. The background is a red wall.

And could
you hand me
my magazine
before you
go do your
cleaning?

**" YES
MISTRESS ! "**

Thank you
honey,

you may make your
self come when
you're finished
cleaning!

And it all better
be done RIGHT

or I'll forbid you
to make yourself
come again

for ANOTHER
two weeks!

And if you wake me
UP while you're
doing it,

you won't come
again for a
fucking YEAR!

Now get
your ass
BUSY!

A woman with long dark hair is lying in bed, propped up on pillows. She is wearing a white lace thong and sheer stockings. She is holding a magazine open and looking at it. The magazine has four panels of black and white photographs of women in various poses. The bed has a yellow floral patterned sheet and a red headboard with gold-colored finials. The lighting is warm and intimate.

**"YES
MISTRESS!"**

**Four VERY long
hours later,**

"Thank YOU
Mistress!"

"Oh God,
THANK You!"

No, we DON'T need
to use any whips

or chains

or violence,

DO
we?
